**THE FEUD THAT
MUST END IN
TRAGEDY!**

listen 'runt' - she's mine!

... and this is how Saul looks today

Saul NewYork "MR. PERFECT PHYSIQUE"

And this is how Saul looks to-day. Yes, it really did happen. Saul NewYork was once a skinny 99 lb. 'runt'. He was bullied, pushed around and laughed at...

How about YOU? Are you fed up with seeing other well-built guys walk off with the best of everything while you are forced to stand aside and only watch?

YOU have the same muscles...

No matter who you are... YOU have exactly the same number of muscles as Saul NewYork. The only difference lies in the way he developed his muscles and you may have neglected yours!

Hercules II gives you REAL muscles fast!

Let us prove that we can give you the kind of super-build and vital strength that needn't take "back talk" from anyone. Hercules II is a fantastic 'revolutionary new secret' muscle-building course that can give you the kind of Super Body you always wanted. Fat or thin, young or not so young, you really can 'Muscle-Up' with these secrets. No special apparatus needed and only a few minutes a day in the privacy of your room does it!

Think about it!

Imagine walking down your neighbourhood beach, or swimming area... S-T-R-I-P-P-E-D. What would others think of your huge, sweeping, deeply muscled chest? How about your 'barn door' back, etched with powerful muscles like the rocky mountains? And those titanic, tireless legs which bounce into beautifully, shaped curves of defined muscle with every stride.

Or your 'yard wide' manly shoulders? Your narrow hips, your rock hard stomach muscles that can 'take' any punch when you tense them? But most of all imagine how your arm will look! Just hanging by your side it looks great, but for a real 'experience' just flex for a buddy and watch his eyes boggle... He will hardly believe the high-peaked Biceps... your 'steel tough' forearms... and your rippling He-man strength...

All you have to do...

Simply fill in the enclosed coupon like Saul NewYork did not so very long ago. Mail it and we will send you absolutely free our famous picture-book detailing how you can get started with Hercules II.

Make something of yourself by grabbing this opportunity. **TODAY - NOW!**

Country and Western, the All-American music, has been overshadowed by the Rock & Roll sensations of the last 15 years. Now for the first time, E-C custom recordings brings to the Country fan a library of his music. We offer the top 16 songs from the past 17 years — 1955 through 1971 — programmed by year on records, 8-track tapes, cassettes and reel-to-reel tapes by the original artists.

This is the most unique and most complete library of Country music ever assembled and offered to the public. All of the great stars from the last 17 years that did so much to popularize Country music are in this collection — people like **Eddie Arnold, Johnny Cash, Buck Owens, Sonny James, Merle Haggard, Charley Pride, Tom T. Hall, Tex Ritter** and anyone who was someone in Country music. You get the original artists recorded in stereo*. This library of great country music is available immediately and may be purchased individually at \$6.98 per tape or \$5.98 per record. However, to realize super savings, we suggest ordering the entire library and reliving this great history of country music from 1955 through 1971. The entire library of records is \$70 which is a savings of \$31.66 over the cost of individual records. The entire 8-track or cassette library is \$90 which is a savings of \$28.66 over the cost of the individual tapes. In addition, with each library order, we will include a free Ess & Ess, wood and vinyl carrying case which has a suggested retail of \$11.95 and makes your savings even greater. Do not hesitate. HOW YOU CAN USE

ISOKINETICS

A REALLY NEW BREAKTHRU IN MUSCLE BUILDING!!!!

Scientific Test PROVES Isokinetics
166% Better Than Weights
390% Better Than Isometrics
For Putting Muscle on YOU!

Weight lifting has been the traditional method for training "Mr." contestants and athletes in all sports. But isokinetics has been *proven superior* to weight training for building your strength, your body, and your explosive power. . . *faster and more effectively* than ever possible before. Here's why:

During each Isokinetic exercise, you continually change the "weight" to the amount that your muscles need for fastest maximum development. (With a barbell you can't change the weight until after the exercise.)

"Sounds great," you say, "So how do I get started, and how much is it going to cost me?"

Until now, the only isokinetic exercisers available were complicated machines costing from \$150 to over \$4000. But NOW! A NEW invention, amazing in its

beautiful simplicity, puts isokinetic muscle building within your reach for only a few dollars.

Powerex = Isokinetics

The invention is POWEREX! It is a pure isokinetic exerciser designed to give you the ultimate benefits of muscle, strength, and explosive power in a hurry. And, as you know, with these benefits come the added benefits of confidence, virility, and the outgoing personality that enables you to get along well with others of both sexes.

POWEREX is going to do all this for you through the following isokinetic principles:

- 1) POWEREX builds your muscles through their full range of movement. It works every small muscle fiber to its utmost. Not the grunt-and-groan partial static results of an isometric gadget, but the total dynamic power of isokinetics!
- 2) POWEREX has the exclusive CONTROL GRIPS. You instantly and smoothly change the amount of "weight" working for you, to the maximum your muscles can handle . . . from zero to hundreds of pounds, quickly building your

other method.

4. Many of the professional football teams (colleges and high schools too) are now using isokinetics, and others are quickly following.

5. Two athletic trainers say that isokinetics combines the best of isometrics and isotonic (e.g., weight lifting) into one.

6. You would think that a weight lifter would really be at peak strength after nine years of training and competition. This nine-year man then tried isokinetics. Only ten weeks later he had increased his all around strength by 26%!

7. Other claims for isokinetics include (a) no adjustments of the equipment necessary, (b) no warmup needed, (c) little or no muscle soreness, (d) impossible to overwork or strain, (e) no energy wasted trying to control heavy weights while you lift them.

Isometrics	12.1%

Losing Your Hair Hair Thinning Do You Have Dandruff Itchy Scalp

**THE COMATE HAIR AND SCALP TREATMENT
MAY MEAN THE DIFFERENCE BETWEEN
SAVING YOUR HAIR AND LOSING THE REST OF IT.**

Baldness is simply a matter of subtraction. When the number of new hairs fail to equal the number of falling hair, you end up minus your head of hair (bald). Why not avoid baldness by preventing unnecessary loss of hair? Why not eliminate needless causes of hair loss and give Nature a chance to grow more hair for you? Many of the country's dermatologists and other foremost hair and scalp specialists believe that seborrhea, a common scalp disorder, causes hair loss. What is seborrhea? It is a bacterial infection of the scalp that can eventually cause permanent damage to the hair follicles. Its visible evidence is "thinning" hair. Its end result is baldness. Its symptoms are dry, itchy scalp, dandruff, oily hair, head scales, and progressive hair loss.

So, if you are beginning to notice that your forehead is getting larger, beginning to notice that there is too much hair on your comb, beginning to be worried about the dryness of your hair, the itchiness of your scalp, the ugly dandruff — **these are Nature's Red Flags** warning you of impending baldness. Even if you have been

Male pattern baldness is the cause of the great majority of cases of baldness and excessive hair loss. In such cases neither the Comate treatment nor any other treatment is effective.

Note To Doctors

Doctors, clinics and hospitals interested in scalp disorders can obtain professional samples and literature on written request.

losing your hair for some time, don't let seborrhea rob you of the rest of your hair.

HOW COMATE WORKS ON YOUR SCALP

The development of an amazing hair and scalp medicine called Comate is specifically designed to control seborrhea and stop the hair loss it causes. It offers the opportunity to thousands of men and women losing their hair to bacterial infection to reverse the battle they are now losing on their scalps. By stopping this obstacle to normal hair growth, new hairs can grow as Nature intended.

This is how Comate works: (1) It combines in a single scalp treatment the essential corrective factors for normal hair growth. By its rubifacient action it stimulates blood circulation to the scalp, thereby supplying more nutrition to still-alive hair follicles. (2) As a highly effective antiseptic, Comate kills on contact the seborrhea-causing scalp bacteria believed to be a cause of baldness. (3) By its keratolytic action it dissolves ugly dandruff. By tending to normalize the lubrication of the hair

shaft it corrects excessively dry and oily hair. It eliminates head scales & scalp itch.

In short, Comate offers you in a single treatment the best that modern medicine has developed for the preservation of your hair. There is no excuse today except ignorance for any man or woman to neglect seborrhea and pay the penalty of hair loss.

COMATE IS

UNCONDITIONALLY GUARANTEED

To you we offer this UNCONDITIONAL GUARANTEE. Treat your scalp to Comate in your own home, following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair look thicker and alive. How Comate ends your dandruff, stops your scalp itch. How Comate gives your hair a chance to grow. Most men and women report results after the first treatment, some take longer. But we say this to you. If, for any reason, you are not completely satisfied with the improvement in your own case — **AT ANY TIME** — return the unused portion for a prompt refund. No questions asked.

But don't delay. For the sake of your hair, order Comate today. Nothing — not even Comate — can grow hair from dead follicles. Fill out the coupon now and take the first step toward a good head of hair again.

Sincerely Yours...

THE BEST IS IN SAN FRANCISCO

In "Sincerely Yours," I keep reading about people bragging about how good their wrestling talent is. I'm sick and tired of this nonsense. San Francisco is tops.

The only reason "Motor Mouth Morales" won't come to San Francisco is because he knows that the best wrestler in the world, Pat Patterson, will whip him.

Look who we have wrestling for us — Pat Patterson, Rocky Johnson, Peter Maivia, Don Muraco, Moondog Mayne, Dutch Savage, the great Ray Stevens, and Pepper Martin, just to name a few. Promoter Roy Shires is the best. We get on occasion Mighty Igor, Haystacks, Suni War Cloud and Earl Maynard.

So you know who has the best wrestling. I dare your champs to come to the Cow Palace to get humiliated.

DAVID LERNER
Concord, Calif.

CALL FOR HELP

About a year ago, an east coast channel (Channel 8, WTNH) had wrestling on for awhile, but then took it off. I called them up recently and they said wrestling didn't draw a big enough audience.

However, they said if they received enough letters asking them to put it back on (100,000 or more), they would put it back on. So PLEASE, wrestling fans, write to: WTHN TV, Channel 8, 135 College St., Hamden, Conn. 06510.

LOVING LADIES

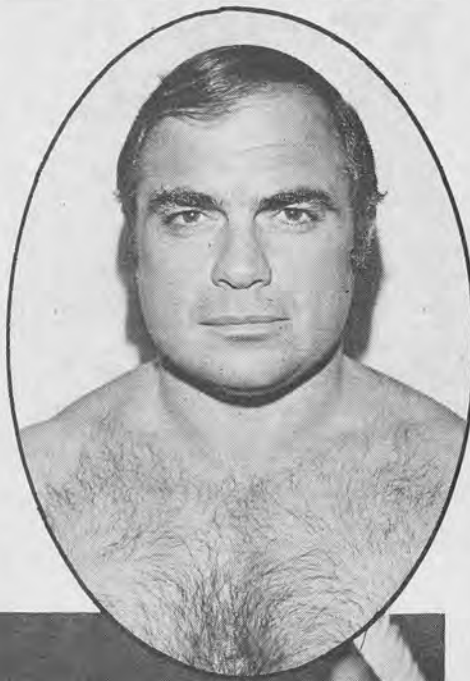

Thank you so much for that exciting article on our favorite wrestler, Superstar Billy Graham. It is wonderful to see such tribute paid to the world's best wrestler!

Several of us have formed an informal Superstar Fan Club here in Connecticut. We have all of Mr. Graham's

pictures posted on our walls — and we avidly support and encourage our local newsstand to double their orders of wrestling magazines when Mr. Graham is in them. Our greatest thrill would be to have a large centerfold with Mr. Graham's autograph.

So keep those wonderful articles and thrilling posters coming. In fact, how about a special issue just on Mr. Graham for all of us adoring, wor-

Steve Young, a wrestling fan living in the south, took exception to John Tolos' insults to that area. Many young women are writing of their adoration of Billy Graham. The ladies write that Graham is magnificent.

GEORGIA'S PEACHY

In your November issue of INSIDE WRESTLING, you had a very entertaining article titled "Target: Jack

Brisco." In it, John Tolos said, "He might hold it for awhile if he stays in hiding in Georgia and Florida and the Carolinas wrestling nonentities." I will have Mr. Tolos know that some of the best wrestling anywhere is right here in Georgia because of the promotional war going on between the NWA and the ASWA (All-South Wrestling Alliance).

The NWA has such stars as Bill Watts, Bobby Shane, Tim Woods, and Brisco's first title defense was a very tough one in Augusta against Cowboy Bill Watts. The ASWA has such stars as Ernie Ladd, the Mongols, Missouri

(Continued on page 48)

Now, medical science has the *power* to say to you: Follow these 3 simple steps, and **BEGIN YOUR "MIDDLE YEARS" AT 70, 80, EVEN 90!**

Announcing—an incredibly simple, medically proven, overwhelmingly documented ANTI-AGING program that is designed to:

give you the lean, glowing look of a youngster past sixty...retain the strength and grace and power of a trained athlete in your body...beyond your seventies...and keep you in vibrant good health till ninety or more...even if you feel "rotten" today...even if your mother or father died far too young of diseases that are **STILL** carried in your bloodstream!

Yes, This Medical "Youth-Building Program" Is So Strong That It Can Even Overcome Poor Heredity!

It is so strong, in fact, that it may actually make you look twenty or more years younger than your parents did at the same age...at the same exact time that it enables you to live thirty or forty years longer than they did!

We realize, of course, that these facts may seem virtually impossible to you at this moment...until you are shown the new medical techniques by which these goals are attained! They are:

1. The most powerful "age-reversing mechanism" known to man...which takes exactly six minutes per day...may be done by any man or woman, no matter how poor their health today...and which is bluntly recognized by one of the leading physicians in this book to give far better "youthifying" results—far faster—than even "cell therapy" treatments costing hundreds of dollars!

2. A direct attack on the stored-up emotional poisons in your body that eat away strength and youth like internal acid, and replace them with never-flagging fatigue! This incredibly simple technique drains out those poisons, and that deadly fatigue, in approximately ten of the most revivifying minutes you have ever spent!

And, finally—
3. A new way to lose weight—not a diet—designed to change your present suicidal eating habits in exactly 48 hours! And, to break at last the vicious fat-multiplying cycle inside your body, that causes you to put on more weight, from less food, than your thin friends.

Let Us Repeat Again: These Medical Techniques Are So Powerful That They Actually REVERSE THE AGING PROCESS—WITHOUT DRUGS!

They cause you, quite simply, to grow stronger and not weaker, as you grow older. And here is the medical documentation to prove it:

In tests conducted at a leading University and Medical School in Southern California, it was discovered that life-prolongation, accomplished this way, not only added decades to potential human life spans, but—even more important—also produced vastly increased vitality and vigor, as well as startlingly heightened resistance to dread "senile decline!" (Reported on page 129 of this thrilling new book.)

As a result of scientific observations and experiments conducted in several different locations in the United States (as well as in Europe and Soviet Russia), it was definitely established that these techniques will enable almost any individual to live beyond 90...and even beyond 100 healthy, productive, thoroughly enjoyable years—even if he or she had tragically short-lived parents or grandparents! In other words, disastrous heredity can now be overcome! (See page 36.)

At a leading Gerontology Research Center on the Pacific Coast, its president bluntly stated that a single one of the techniques given to you here had (in essence): "...reversed the aging process and over a period of time restored the characteristics of youth to the bodies of middle-aged men!" (See Page 129.)

And one of his colleagues, discussing the same simple procedure, went so far as to state that it: "...relieves joint stiffness, lowers the blood pressure, and reduces the amount of fat in the body tissues. It acts like a miracle drug, and it's free

for the doing!" (Italics ours—see page 130.)

But All This Research Documentation Is Only The PROLOGUE To The Real Meat Of This Revolutionary New Book! FOR NOW THE YOUTH-RESTORING PRINCIPLES LEARNED ALL OVER THE WORLD ARE PUT TO WORK—INSTANTLY—FOR YOU!

How to lose weight without counting calories—by harnessing the same exact forces which made you overweight in the first place! (It is not unusual, with these methods, to lose 15 and more pounds the first week—up to 10 pounds the second week—and a good hundred pounds or more, in as little as 15 weeks. And the weight stays off—*for decades!*)

How to add 10...20...perhaps even 30 glowing years to your life, simply by avoiding the everyday "Life-Traps" that make you grow old too fast!

How a careful examination of your eye can tell you, with unerring accuracy, if you've eaten the wrong foods that night for dinner...and therefore have to give them up for a few days till your body's digestive powers restore themselves to the correct balance!

Little-known stress-on-the-heart Number 1...that kills unwary thousands every year...and can be prevented simply by reading a single sentence on page 70!

When you must eat...and eat...and eat if you really want to lose weight!

"Hungry enzymes" that now infest your body! They are the real reason all past attempts to peel off ugly fat have been such torture for you! And you can "command" your body to destroy them—for good—as simply as this! (See page 82.)

Why most people's muscles simply "melt away" as they grow older! (No wonder "old age" to them means ever-growing weakness!) And how you can stop that muscle-melting process overnight...and replace it with vibrant new strength!

And More! And More! And More! Like This—

What really causes vigor to drain out of the "aging" body! A simple fluid that if the body gives up too much of, it then dies of old age! And how you can "pump that vital cell-nourishing fluid" right back into your body...actually increase your body capacity to utilize by as much as 133%...in just a few minutes every day!

How to exercise your heart! Anyone—no matter what age—can do it! And prevent the greatest tragedy of all—premature heart attack!

World's easiest exercise program—for men and women who are pitifully out of shape!

How to avoid the man-made diseases! And save your body, and your nerves, at exactly the same time!

What your sleep, or lack of it, is really telling you! And how to ease yourself into a good night's rest again!

What your fingers tell you that can save your life! Listen to them...obey their command...and you may be able to out-run your own youngster! If your blood pressure is soaring, you must do this, right now!

World's most effective weapon against demolished nerves! Gets you back to loving life, instead of hating it, in just about ten minutes!

No more nervous breakdowns! And no more un-necessary heart attacks (or strokes!) The

SPECIAL ADDED BONUS SECTION

How to survive a heart attack! Why so many heart attacks are the "silent" type, that kill without the victim even being aware he has been seriously ill before! The one warning signal you simply CAN'T ignore! Why HALF of all heart attack victims KILL THEMSELVES because they don't know what to do!

NEWS FROM THE WRESTLING CAPITALS OF THE WORLD

TORONTO ACTION

By Rudi Iseli

A ROARING CROWD of more than 12,000 fans were cheering for Dominic Denucci after he disposed of Gypsy Joe. But his bows were cut short when The Sheik ran into the ring moments before his scheduled match against Bearcat Wright and started beating the day-lights out of the Italian sensation.

Suddenly, the crowd stood up and watched intently as Bearcat came charging out of the dressing room. He tore The Sheik off Denucci and started handing him hell.

Dom managed to crawl out as The Sheik and Bearcat's match continued. At one point Sheik managed to get close to the ropes where his manager, Abdullah Farouk, was stationed and ready to pass him a foreign object. He succeeded. He started battering Bearcat with it. But before he could get very far, Denucci came charging out of the dressing room and started beating The Sheik. The referee called for the bell. He disqualified Bearcat for having outside interference!

BEDLAM IN BOSTON

By Tony Hines

A special Texas Death match between W.W.W.F. champion Pedro Morales and Stan Stasiak highlighted the recent card at the Boston Garden.

The sly Stasiak attempted to catch the champ off guard as he tried to sneak up from behind him to gain a quick advantage as soon as the bell rang. But Pedro caught a glimpse of Stasiak out of the corner of his eye and surprised him with a left to the stomach that doubled him up.

Stasiak quickly retaliated with his own punches. Pedro looked like he'd had enough but he got his second

qualification due to outside interference on both parts.

JOLTIN' IN JERSEY

By Harry Jones

Chief Jay Strongbow wrestled Stan "The Man" Stasiak at Cherry Hill in a two-out-of-three fall match.

Early in the match Stasiak hit Strongbow with the heart punch several times, knocking the Chief out and taking the first fall.

In the second fall the Chief caught Stasiak in the sleeper. It looked like Stan had it. All of a sudden, Professor Tanaka ran into the ring and kicked The Chief off! Strongbow became raving mad and went into his war dance!

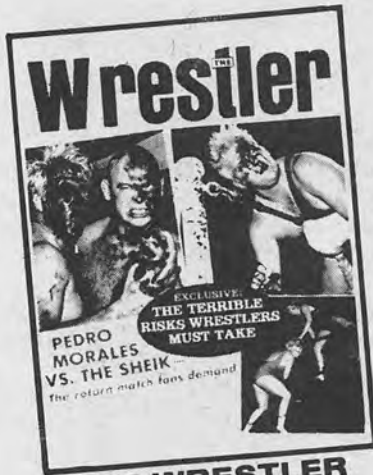

Tanaka ran from the ring. Stasiak

wind and tore into Stasiak again.

The match went back and forth for 20 minutes. With Pedro clearly in charge, Larry Hennig stormed out of the dressing room and into the ring to help Stasiak. They both kicked away for several moments. Wild with anger, Andre the Giant, who had been watching the match, stormed into the ring and Stasiak and Hennig went running for the hills.

The match was ruled a double dis-

BITTER END OF A BRUTAL BLOODMATCH

Kim Duk (left), with blood covering his mouth and his chest, claims that the blood dripped on him from cuts he gave to Grizzly Smith. When the referee tries to examine him, Kim refuses. He went to great lengths to avoid examination. Kim Duk would rather be in a bloodmatch than any other type of match. It takes a special kind of person to enjoy this kind of sport. Of course, it isn't enjoyable if you're the one who is bloody.

The referee tries to examine Grizzly Smith but Grizzly forbids it. However, he claims that the blood came from the cuts of Kim Duk. When the referee couldn't get near Grizzly or Kim Duk, he was forced to declare the match "no contest." It was not a popular decision with the wrestlers, but they didn't stay around to complain.

PHOTOS BY GEORGE NAPOLITANO

The only purpose of a bloodmatch is to make your opponent bleed first. Kim Duk and Grizzly Smith both say they accomplished that purpose. But whose blood was it?

IN A BLOOD match, the first one to bleed, loses. But what do you do when both wrestlers claim the other is the one who's bleeding?

That was the referee's problem when Kim Duk and Grizzly Smith met in a blood match. There was blood all over the ring. But each claimed it was the other's blood! And neither man would let the referee examine him!

Of course, it was a strange blood match from the start. Usually, a bloodmatch is between two guys who hate each other. Kim Duk and Smith had never even met each other. They just like to draw blood.

When the match began, it was a contest of karate kicks against good old country stompin'. Both men wore boots that were heavy enough to be anchors. They lashed out at each other. But somehow their skin refused to split.

Then they went at each other close. They tried tearing, biting, and anything else they could think of trying. The two men were locked together, wanting to rip the other's flesh apart.

After almost two minutes of being locked in a titanic struggle, the two men were covered with blood. Their bodies and the mat were stained red. Both men looked to be in agony and shreds of torn flesh were caked in the blood.

"I'm covered with this guy's blood!" Smith screamed. "I won, and he's a bloody mess. Get that clown to a doctor and get him stitched up. I knew he couldn't take it! Someone give me a sponge to wipe this blood off!"

Meanwhile, Kim Duk was claiming victory, also.

"Look at him! His forehead is a red river! He looks disgusting! Get him out of here and get him help!"

It was up to the referee to declare a winner. When neither man would come near him, he threatened to declare the match "no contest." Still, neither man would come near the referee. He carried through his threat and the match was declared "no contest."

Both men slunk off to their dressing rooms, not allowing anyone but their trainers near them. Fans didn't know what to think until they saw two doctors enter the dressing room. It was officially "no contest" but it was actually a bloody draw.

FAN CLUB CORNER

FANS KEEP REQUESTING information about how to start and operate a fan club. Though experience is always the best teacher, there are some rules and guidelines that can and should be followed.

There is only one absolutely necessary thing anyone wanting to start a fan club must have — the wrestler's permission. The permission must be in writing. It is needed for both the wrestler's and your protection.

So, how do you get in contact with a wrestler? Of course, one way is to go to the arena where the wrestler is appearing and ask him for an interview. However, professional wrestlers are very busy men whose lives are run by plane schedules and other commitments.

To make sure the wrestler is aware of your desire to start a fan club for him, write to him in care of the promoter at the arena where he is appearing. The chances are fairly good the wrestler will contact you and give written permission. Make sure you enclose a stamped, self-addressed envelope so the wrestler can contact you.

Once you've received the permission, you are really on your own. Some things you should consider when you organize the club are:

- a) How many members you can successfully handle;
- b) What kind of bulletin you want to issue;
- c) How much dues must be.

You will find other considerations that must be solved. Try to think through your entire operation before you begin.

Though there are people capable of running a fan club by themselves, it is a good idea to have two or three people to handle the work. Not only will there be a lessening of the responsibility

and labor, but two people always have more good ideas than one person.

The club will function better if there is a president, vice president, secretary, and treasurer. This way, each of these important jobs will be given full attention.

Once you are ready to begin the club, it will become necessary to advertise. If you send a copy of your permission slip and full details, we'll be happy to give you space in our FAN CLUB CORNER. This way, you'll be reaching the biggest audience of wrestling fans in the world. A way to get local support is to hand out circulars in arenas where the wrestler is appearing.

If you get into difficulties, do not ask the wrestler's help. These are very busy men and cannot afford to spare the time for fan club troubles. A wrestler should only be contacted for bulletin interviews and photos. Remember, a wrestler is only human. If you make a pest of yourself, he may be forced to ask you to discontinue the club.

A bulletin or newsletter should reflect the personality of both the wrestler and the fan club. However, there are areas which should be avoided. You should avoid any mention of the wrestler's private life unless you get his specific permission to publish the information. Besides, the members of your club will be more interested in the wrestler's matches and wrestling stories in general. This can be in any form — some fan clubs even have resident poets!

You must be willing to devote many hours of your time to make the fan club work. It's a lot of hard work. But it's also very rewarding. You'll make many new friends from all over the country with a common interest. If

Pedro Morales is fortunate in many ways, not the least of which is his great fan club. President Beth Zane devotes much time and effort to it.

you don't have the time to do justice to the club bearing the name of the wrestler you wish to honor, then *don't* start the club. You may be depriving someone else of the chance.

First Class All The Way

Ah yes, here Beautiful Bobby and my great exalted self get private service for dinner (above left) The service was exquisite. Here I am being introduced in the night club (above right). May I modestly say that I was awarded a 10-minute standing ovation. One of the beautiful hostesses on the ship puts a Hawaiian lei around my neck (right). Those wonderful women didn't leave Bobby and I alone for one moment during the entire cruise. My, do they have great taste.

A Broadway stage show is performed for Bobby and I (above). This, like most of the accommodations, was done without any other people being invited. They do special things for special guests—that's Bobby and I. My trick shot sees me defeat Bobby in a game of ping pong, one of the sports I'm so expert at (right). During the cruise, Bobby and I had secret discussions with a wrestler we're planning to bring to the United States to wipe out any and all claimants to the world title. The trip was also a victory celebration for Stan Stasiak, the man who defeated Morales for the W.W.W.F. title. Soon I will control the A.W.A. and N.W.A. titles also. Ha! ha! ha!

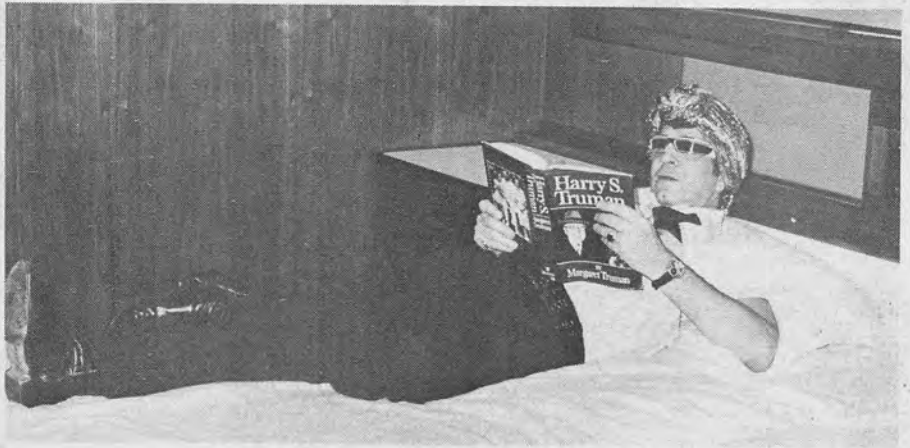

Just after boarding the ship (left) we are on our way to our gigantic cabin. On the way, I ordered the captain of the ship to come out and greet me (right). Bah! The man refused. He doesn't know what he's missing, poor fellow. When a celebrity of my caliber goes on a trip like this they should put out the red carpet. I hope they know better next time.

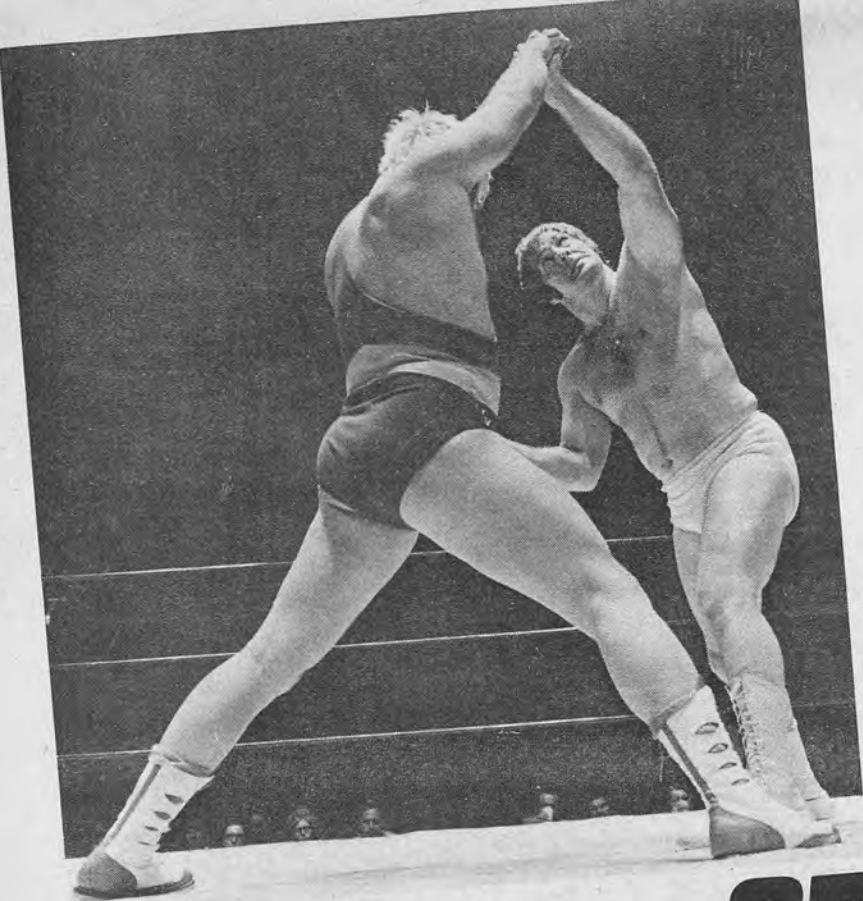

Here you see my splendid self relaxing (right) reading one of the many books I enjoy. Reading has made me such a brilliant person. Bobby and I spruce up (below) before making the night-life scene. We're so popular. We were mobbed by people throughout the trip. Oh, what wonderful people we met. But none as wonderful as us.

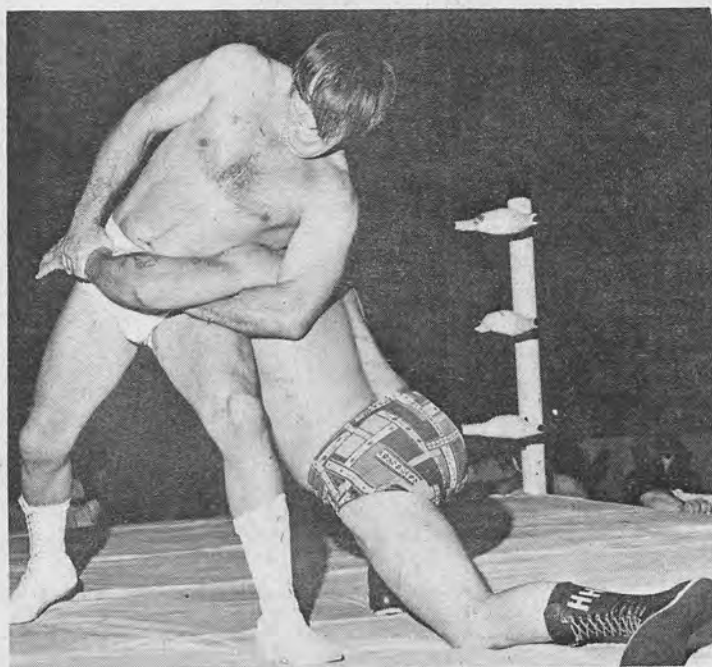

In the ship's staff recreation room, I'm supervising a game of darts (right). Here I'm giving advice to a young lad. He took my advice and won. Even the ship's staff was honored to have me aboard. I'm such a likeable person.

IS TIM WOODS HIDING FROM GREATNESS?

Photos By Gene Gordon

According to many fans, the only person who prevents Tim Woods from becoming champion is Woods himself. Above left: Tim and Bobby Shane engage in one of the many tests of power the two have had over the years. Left: Tim traps Harley Race in an armbar. Some fans think one Woods-Race match softened Harley up for Jack Brisco.

There is only one person holding Tim Woods back from greatness—Tim Woods himself. Why does this magnificent wrestler, whom many consider possibly the best of all, refuse to campaign for a title shot?

A VERY LARGE number of people think Tim Woods is underrated and overlooked. Who's fault is it if that's true?

"My own, I guess," Woods revealed. "I'm just not the kind of person who enjoys being in the limelight. I let things come to me rather than pressing for them. If I get a title shot—great. If I don't—I'll wait. If I'm rated—great. If not—I can't do much about it. I'm giving my all. That's all I can say."

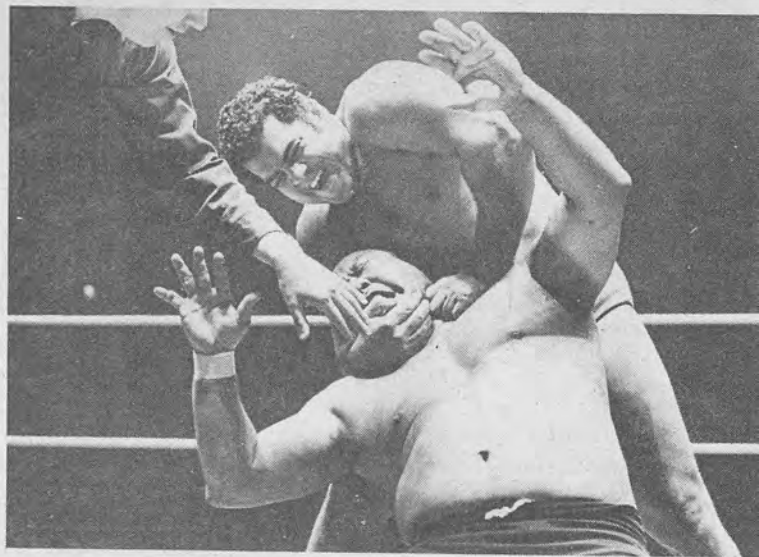

Tim's mild-mannered attitude bugs a lot of his close friends.

"I'm on that list," noted Paul Jones. "I can't understand it. Tim deserves multiple shots at the N.W.A. title. He's had one or two. In those matches he gave Jack Brisco a real run for his money. Even Jack admits he had plenty of trouble with Tim. But does Tim get on the bandwagon and ask for another title shot? No. 'When it's my turn,' he keeps saying. He's so mild-mannered it bugs me!"

Recently, due to his matches against Brisco and numerous victories in other matches, Tim has upped himself in the N.W.A. ratings to the number five spot. How

For three years Pedro Morales has kept his silence as wrestler after wrestler criticized him. Pedro's had enough. And in this exclusive story the W.W.W.F. heavyweight champion finally breaks his silence!

PEDRO MORALES

Pedro rears back to slam Ernie Ladd (right) in a wild and wooly match in L.A. Though he is a scientific wrestler, Pedro is also very, very tough, as Ladd found out. Another one who discovers Pedro's skill is more than he bargained for is Pampero Firpo. Even a chair (below) doesn't help the hapless Firpo in a recent bout.

A common complaint of wrestlers who meet Pedro, especially in New York, is that he gets away with tactics his opponents can never get away with. Left: Toru Tanaka wonders if his head won't be torn off by Pedro's powerful hands. Tanaka claims that Pedro is choking him, but the referee does nothing. The referee and Pedro deny that it is a choke hold. Right: Ray Stevens meets a Morales punch in New York. Stevens agrees with Tanaka that referees are helping Morales. After years of silence, Morales is finally angry enough to respond to his critics. And he's plenty mad!

BLOWS HIS TOP!!!

THAT'S ALL! I'M fed up! I've had it! I want everyone to know that I'm sick and tired of the things my opponents have been saying about me since I've been champion.

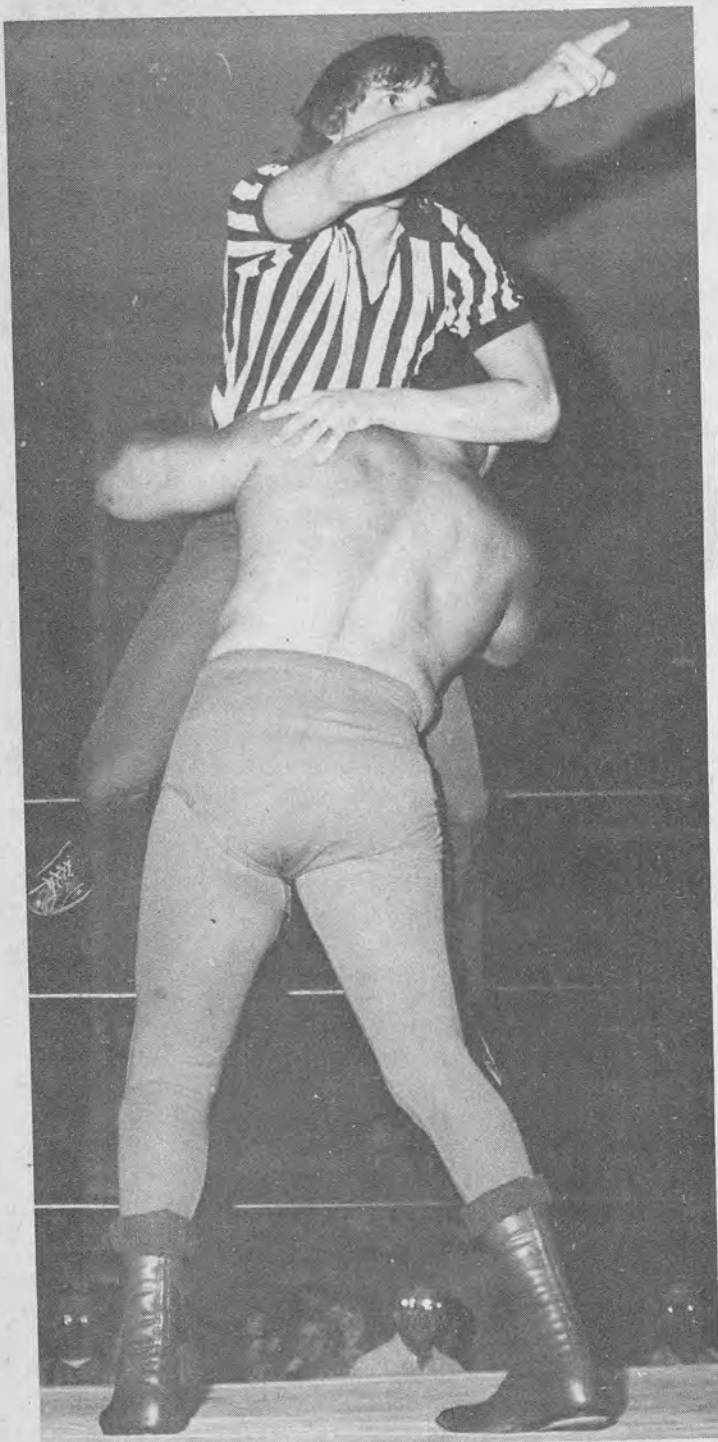

First of all, I've defended the title to the best of my ability against all challengers. I've never ducked anyone.

Lou Albano and the Grand Wizard always say, "Morales handpicks his opponents." That's a lot of bull. If I handpicked my opponents do you think I'd wrestle animals like King Curtis, Moondog Mayne or George Steele? Hell no! I'd prefer wrestling men like Bruno Sammartino, Victor Rivera or Chief Strongbow, men who like to wrestle, not street fight.

I have absolutely no say in the matter. The World Wide Wrestling Federation decides who I'll wrestle, when I'll wrestle and where I wrestle. Not me. I have an open contract. People say I'm ducking this one or that one. Baloney. Have 'em sign on the dotted line and I'll wrestle that person whether he be a guy as big as Andre The Giant or as small as Mike Pappas. I have no preference.

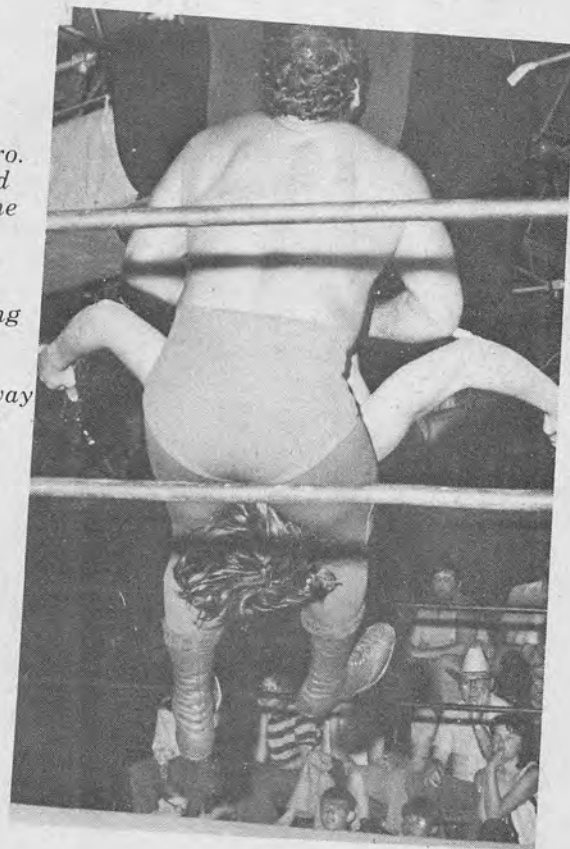

Another comment I hear very often is that I take too much of a beating. What does that matter? What's important is that I am able to come back after taking a beating and whip my opponent. You've got to be

"STOP IT, BOBBY!"

Bobby Lane, in his first year as a referee as well as a rookie wrestler, (left) is challenged by Cyclone Negro. Cyclone attacked Bobby because he believed the young man was trying to stop him from winning his match with Dario Romero. Negro won anyway and then started on the Lane. It took special police to stop their brawl. It didn't stop their anger.

Friends are pleading with Bobby Lane to give up his idea of seeking revenge against Cyclone Negro—at least for the present. But Bobby won't listen—except to the voice inside him that screams "REVENGE!"

A month later, Negro barges into a television studio and decides to wrestle Bobby. The veteran has Lane at his mercy throughout what can only be called a massacre. The match is brought to an end (above) when Negro piledrives him.

PATIENCE IS A virtue. And revenge is sweet only if the other guy takes the beating.

Bobby Lane discovered the truth in the above recently, and he's not likely to forget, at least until the lumps go away and the brace is removed.

Lane is a rookie wrestler who is also a rookie referee. When he was assigned to oversee the Cyclone Negro-Dario Romero match, he thought it would be just another job. However, he should have known that anything involving Negro isn't just another job. He assumed he would be the referee. He wound up as an unscheduled wrestler.

The match began as an ordinary Cyclone explosion—brutally skillful

and outrageously dirty. Romero tried gamely to wrestle scientifically but got battered around the ring for his pains. The unscrupulous Negro took full advantage of Dario's attempt to stick by the rules.

Most referees regard Negro as an uncontrollably wild animal. When someone signs to wrestle Cyclone, he should forget about being in a fair match. Nobody seems willing to get between Negro and a victim unless Cyclone takes out a saber.

But Lane, being a wrestler, respected what Romero was trying to do and decided to help him. When Negro's powerful fingers wrapped around Dario's windpipe, Lane made him release the chokehold. Negro would

then try some brutal rule violation—one he usually gets away with—and Lane would stop him.

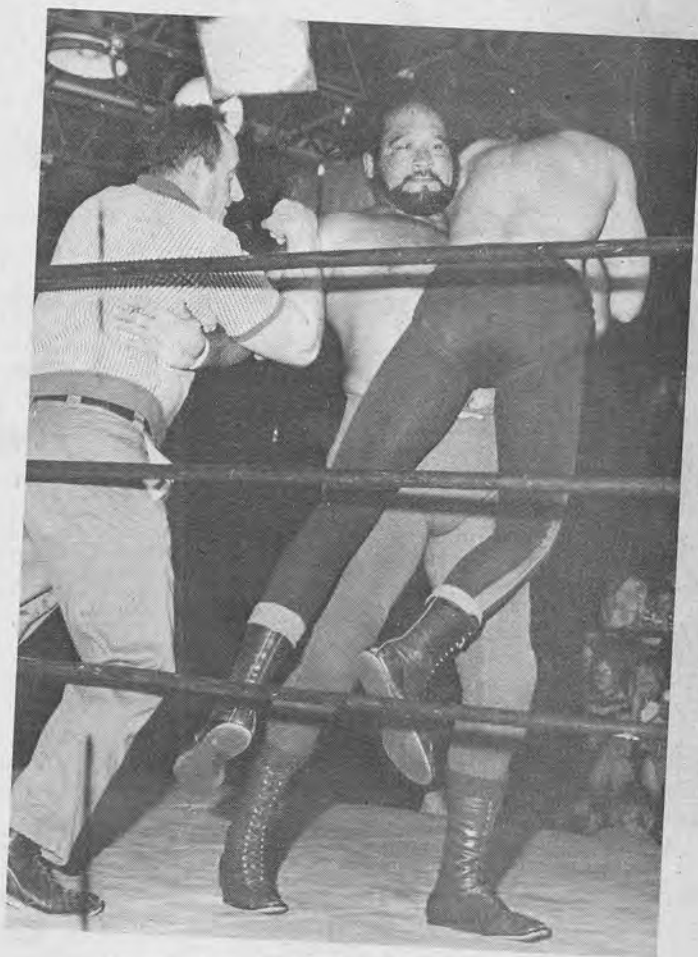

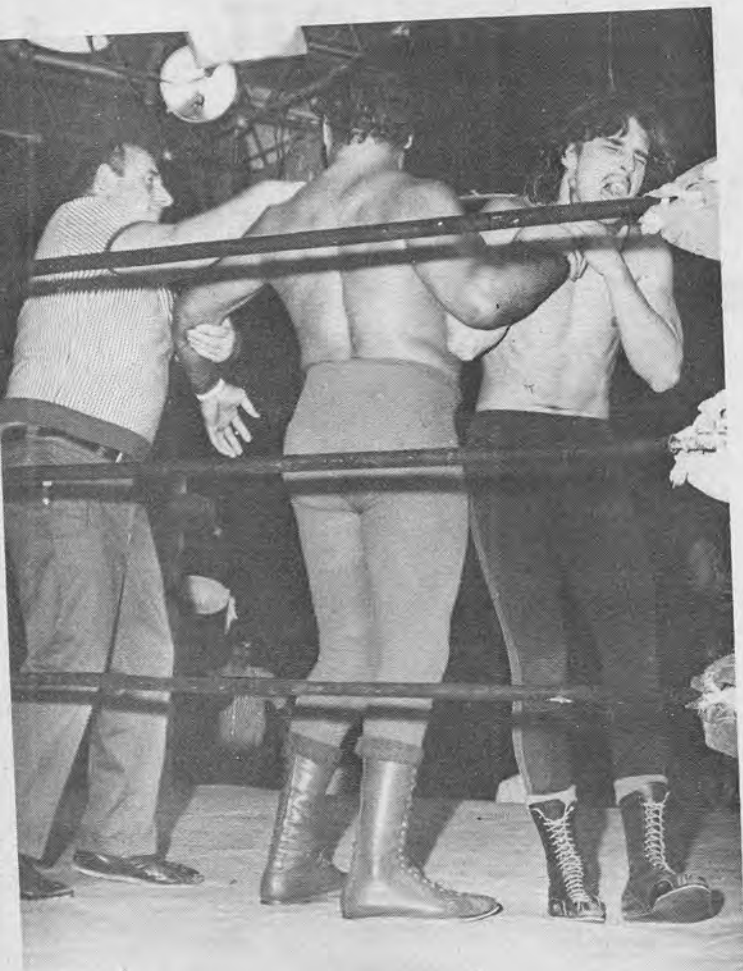

Despite Lane's attempts to make Cyclone wrestle scientifically, the foul tactics began to take their toll on Romero. Eventually, he was weakened and bloody.

When Romero lay beaten upon the canvas, Negro turned to Lane and screamed, "I want you now! You tried to make me lose!"

And within seconds, Lane the referee became Lane the wrestler. Actually, he became Lane the brawler. The two men pounded each other until the special police broke it up.

The next morning the wrestling

YOU'RE COMMITTING SUICIDE!"

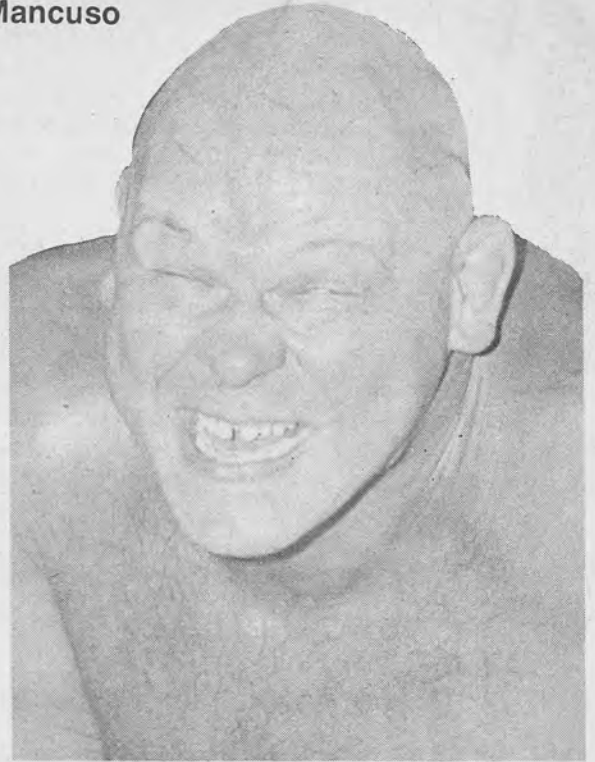

In a matter of minutes, Lane is a plaything for Negro to batter at will. Negro's powerful fingers fasten around Lane's throat (left) and choke him unmercifully. When the referee demands he stop, Negro takes the young man and hurls him.

The Inside Story:

WHY BEN TURNED ON

IT WAS ONE OF wrestling's most shocking and unbelievable moments.

There they were, Ben Justice and Stomper, wrestling side by side against Killer Brooks and his manager Eddie Creatchman. When Stomper was trapped in Brooks' and Creatchman's corner he called on Ben to help.

Justice stormed into the corner kicking and slugging. Then he applied the sleeper hold, the hold Stomper taught him.

But he wasn't applying it to Brooks or his manager. And he didn't kick or punch Brooks or Creatchman. He was beating the daylights out of *Stomper* and now had him collapsing into dreamland!

Luckily, Bobo Brazil was watching the matches from the dressing room area. He charged into the ring as Stomper fell into unconsciousness. Seeing Bobo, Justice, Brooks and Creatchman scattered and ran like Thieves to the dressing room. Bobo, an expert at the sleeper, awakened Stomper.

"What the hell..." Stomper started to say.

"Don't try to talk," Bobo said. "Let me get you back to the dressing room."

As Bobo carried Stomper back to his dressing room, people in the arena had shocked looks on their faces. Ben Justice had turned on The Stomper. Ben Justice, the man who had been Stomper's closest friend for almost 10 years, tried to kill him.

"Open the door," Brazil demand-

Ben Justice used to be best friends with The Stomper. Ben Justice and The Stomper were, at one time, world tag team champions. Now Justice is after Stomper's blood. Why?

JUSTICE THE STOMPER!

Killer Brooks and his manager, Eddie Creatchman, have somehow convinced Ben Justice to leave his friend and tag team partner The Stomper (above). The two ex-friends now are engaged in wrestling's hottest new feud.

ed of one of the policemen standing outside Stomper's dressing room. Then he put Stomper down on the rubbing table. Stomper looked around.

"Where is he!" he shouted.

"I don't know," Brazil answered, "but you can be assured he won't show his face in this dressing room."

Just then Stomper jumped off the table and ran for the door. Bobo grabbed him.

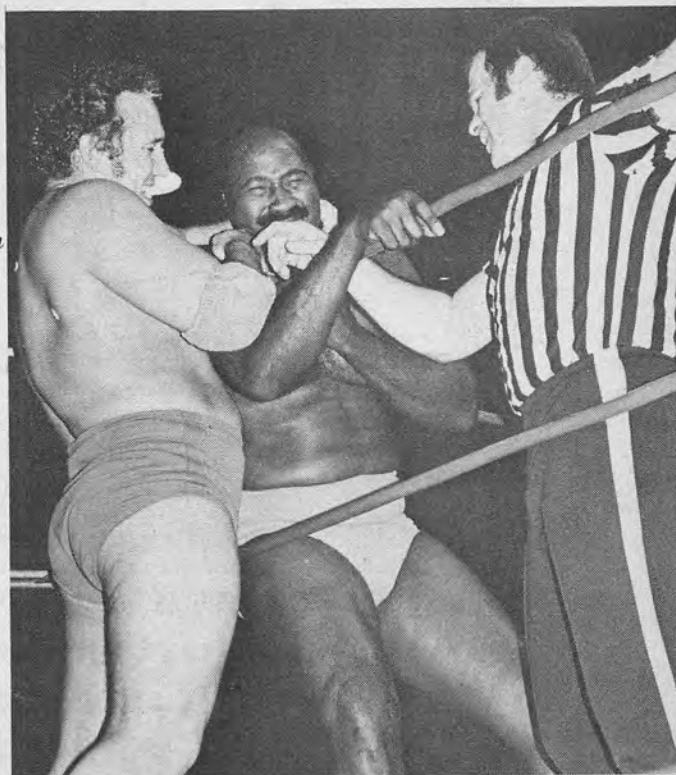

"Lemme go!" he exclaimed "I wanna find that damn..."

"Calm down!" Brazil demanded. Then Bobo sat him down again.

"Look," he said. "I don't know why he did what he did but I'm just as anxious as you are to find out."

Bobo and Stomper speculated for awhile after Stomper calmed down. But nothing they put together made any sense. The following day, however, everything came to the sur-

In a recent match with the great Bearcat Wright, the new Ben Justice uses the tactics taught him by Eddie Creatchman and his new tag team partner, Killer Brooks. Bearcat couldn't believe the foul tactics Ben employed during the match. "I don't know what has come over Justice," Wright says, "but it hasn't been good, let me tell you." Many other confused wrestlers say the same thing.

Until recently, Justice and The Stomper were one of the Best tag teams ever to step into a ring. Above and left: Stomper and Justice in a match against Dick Murdock and Dusty Rhodes. When Murdock and Rhodes made the mistake of ganging up on Justice, Stomper came to his rescue and the two taught their two unfortunate opponents a painful lesson.

"I'll show him who's boss. That sleeper he taught me will be his downfall. I'll kill him with it."

Stomper was watching the broadcast.

"I think he's cracked," a still astonished Stomper said. "I can't believe it. I wish we could get together to discuss this."

Stomper went on TV the following day and asked Ben to call him. But no call ever came. Justice replied on another interview.

"Yeah, I'll meet him, IN THE RING—IN THE OPPOSITE CORNER."

"You know what I think," Stomper said. "I think he sold out. I'm not knocking him but I think Ben was so fed up with the tactics of Brooks that he figured if you can't beat 'em, join 'em."

Wham! That set off fireworks. Justice was more anxious than ever to wrestle Stomper, who now accepted the fact that Ben despised him.

"I'm sure Brooks and Creatchman had a hand in this," Stomper said. "They brainwashed him. I'm really sorry it happened. It's the end of a beautiful friendship. But now, he's

in the same category as The Sheik is to me. And you know what that means."

Ben and Stomper had been booked for tag team matches and promoters refused to let them get off the hook even though they hated each other. So Stomper suggested that he have Bobo in as a replacement and it was okayed. Who was their first match against? None other than Brooks and Justice!

Every time Stomper would get in to the ring, Justice would tag Brooks. He refused to wrestle Stomper. Finally, towards the end of the match, they came to blows for the first time ever before the referee disqualified both teams.

"It wasn't him," Stomper said later. "He had a crazy look in his eyes that I've never seen before. I don't know what he's trying to prove but he didn't even budge me with his punches. If he really wanted to hurt me he would have. I can't figure him out."

A few weeks later they were signed to wrestle a single match. What happened? Ben was disqualified!

"I couldn't believe it," Stomper said. "He tried to *kill* me this time. From now on it's an eye for an eye. Justice is a dead man as far as I'm concerned. I *never* want to have anything to do with him."

And that's the way things are still going. They're at each other's throats constantly. Their feud ranks with the most bitter in wrestling.

"I was sorry to see that partnership go to hell," Lord Layton, a friend of both, said. "They were so close, inseparable. I think that Ben is due for some good psychiatric treatment."

"The split was a good thing," Abdullah Farouk, The Sheik's manager said. "The Stomper is a crummy wrestler and Justice was looking crummy next to him. Now that he's in good company, he looks great. He's fantastic. What a good move he made."

"I agree with Farouk," Justice said. "Brooks is one hell of a guy. I can't understand how I ever took a disliking to him. That Stomper really had me brainwashed."

Will they ever get back together again?

"No way," Justice said. "Who the hell wants to team with a dead man?" □

face. Brooks, Justice and Creatchman made an appearance on television.

"Ha!" Creatchman, the spokesman, laughed. "We tricked that snake in the grass, Stomper. I've had Ben Justice under contract for several weeks now. He's sick and tired of Stomper."

Then Justice was called on the carpet.

"Look," he pointed out with a maniacal expression on his face. "Stomper was always putting me down. He always made it look like *he* was the brains of the team and that *he* was the talent. He kept telling everyone 'Justice is nothing without me. I taught him everything he knows, the sleeper hold and other holds.' Okay, he did teach me the sleeper but that's it. Nothing else."

One minute Bruno Sammartino was giving a sound thrashing to Baron Von Raschke. The next moment Bruno was writhing in pain — blinded — and Von Raschke had nothing to do with it!

THE SHEIK THROWS FIRE...

Above: The Sheik and a new toy he's found—fire! Left: Bruno Sammartino writhes in pain after being burned around his eyes by The Sheik's new toy.

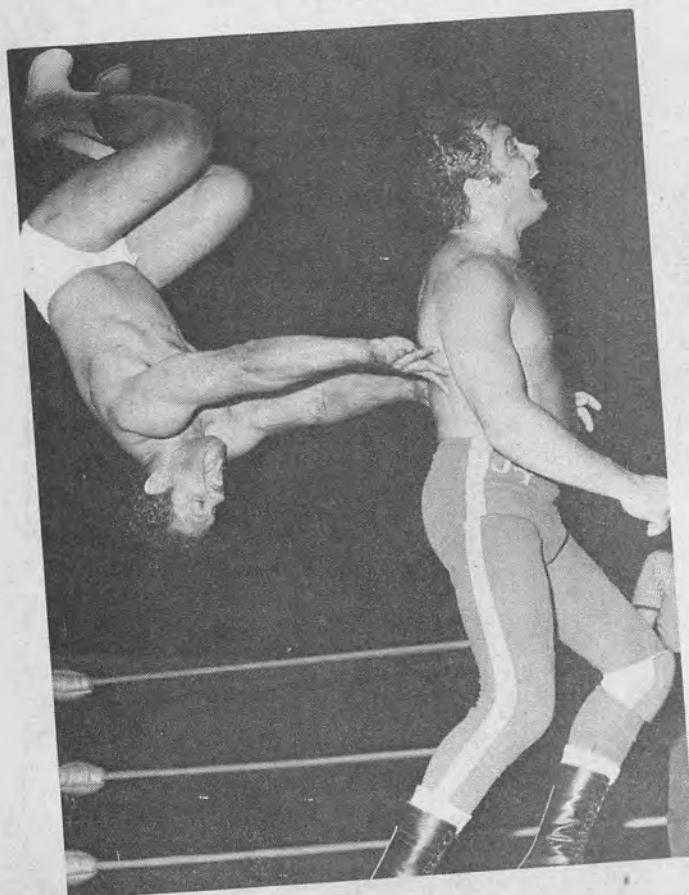

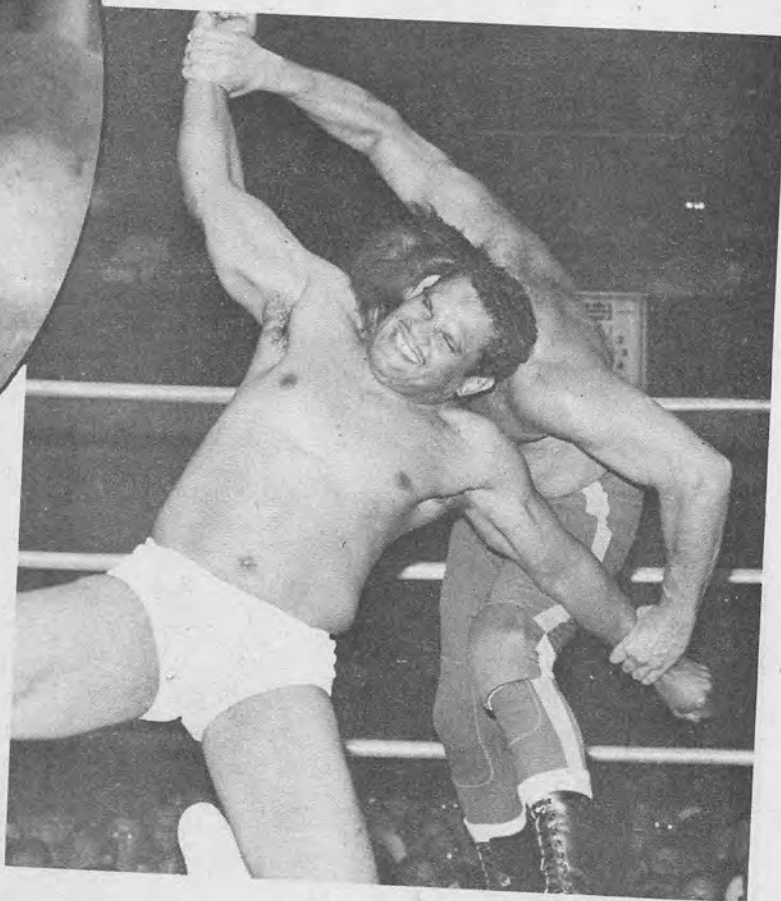

IT HAPPENED SO fast many fans didn't see it. All Bruno Sammartino remembers is the searing pain. "He never saw what hit him," said Larry Zbyszko, who ran into the ring to help.

What happened was simple. During the middle of a match between Bruno and Baron Fritz Von Raschke. The Sheik came tearing out of his dressing room and threw fire in Sammartino's eyes. As Bruno fell, hands covering his eyes, The Sheik ran back to the dressing

AND BLINDS BRUNO SAMMARTINO!

THE FEUD END IN

When Rivera and Tolos get in a ring, you can count on one, if not both men, taking many hard shots. Left: after being hurled into the ropes, Rivera is the victim of a Tolos backdrop. Above: Victor and John test each others' strength. The loser is sore for many weeks.

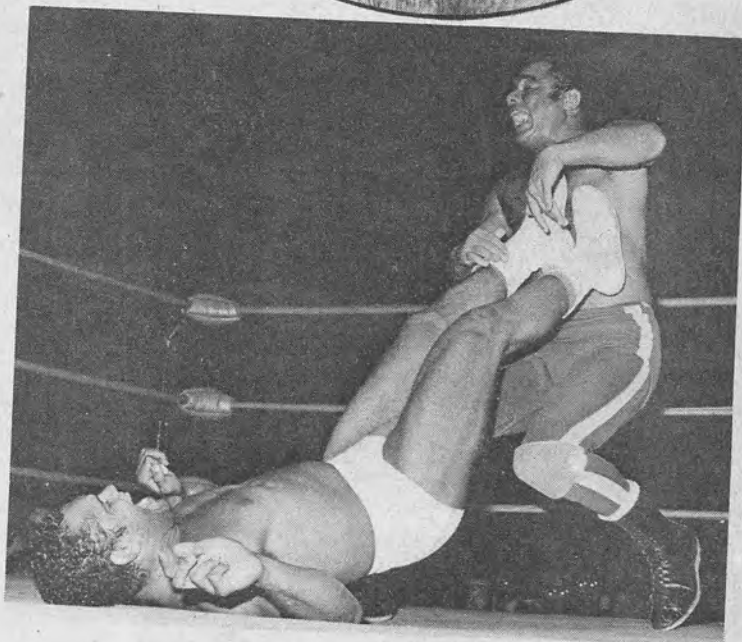

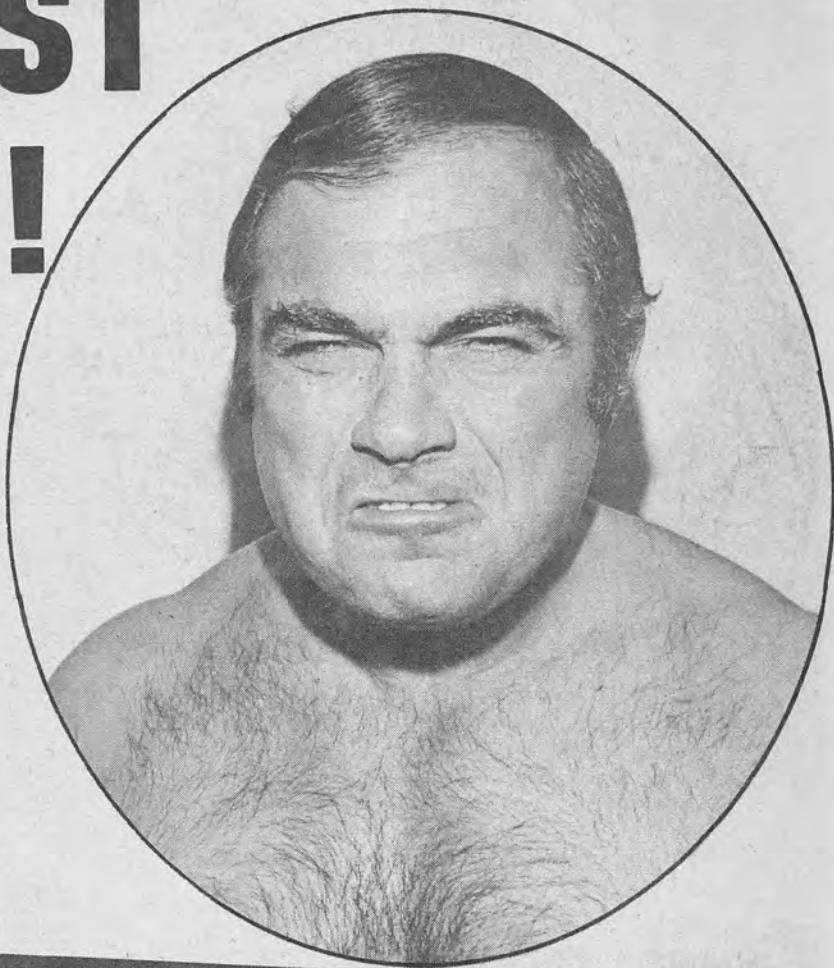

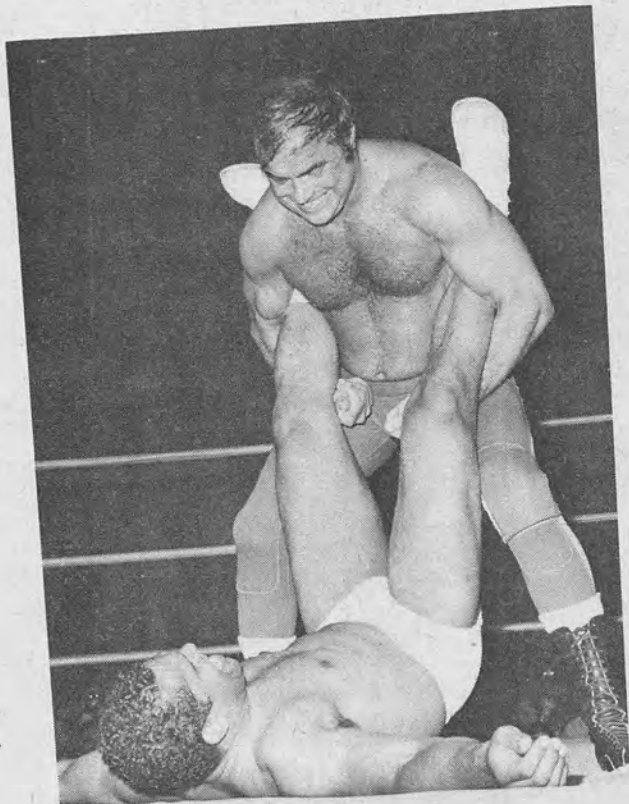

DEATH IN A wrestling ring is not something to be taken lightly. And the Victor Rivera-John Tolos feud is not to be taken lightly. Both men have the strength and capability to kill the other.

The question is—do they have the desire to kill each other?

Since their feud started, neither man has hidden the hatred he feels for the other. Their recent matches have ended in gruesome bloodbaths. Will one of them finally go too far?

The feud has been going on since a hair vs. hair match, where Tolos voluntarily had his hair shaved and then went berserk. John battered Rivera bloody and unconscious with a folding chair. They have been at each oth-

er's throat ever since.

Rivera still has trouble understanding why Tolos, his former friend, turned on him after the hair vs. hair match and left him unconscious.

"We were the best of friends," Victor remembers, "united in our hatred of Ernie Ladd. John had turned over a new leaf. It was a whole new life he led. He was scientific and honorable. And a good friend. *Continued*

Most wrestling feuds ignite into a blaze of hatred and die as quickly as they begin. Not this one. This one might not end until someone is wiped out—permanently!

Tolos and Rivera cherish every memory where they torture the other. One of Tolos' most pleasurable memories is trapping Victor in agonizingly painful corkscrew (above). And Victor fondly recalls the match in which he had the opportunity to slam his foot into the shoulder blade (below) of Tolos. John was so hurt doctors feared critical damage.

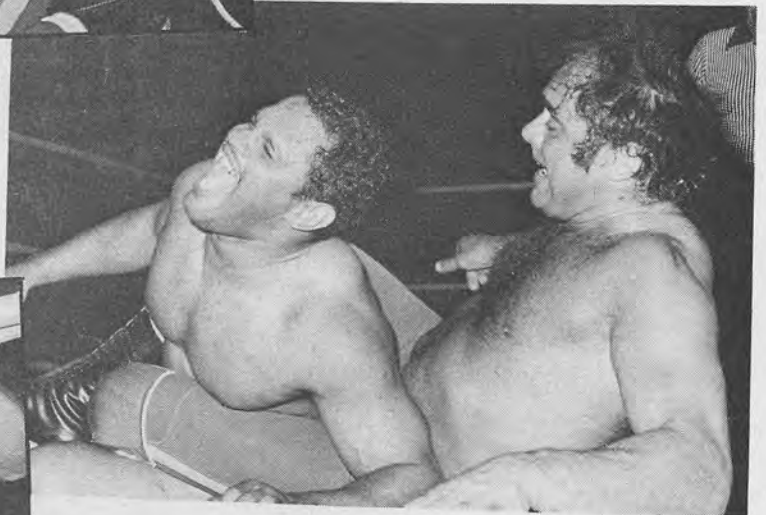

"All my other friends kept telling me, 'Tolos will turn on you, Victor. Don't trust him. Tolos is an animal,' they said, 'and animals cannot be fully trained, ever.'"

"But did I listen? No, because I believe in friendship, and friends deserve to be trusted. My faith left me when I had my skull cracked."

Tolos becomes enraged whenever Rivera's name is mentioned.

"I trusted that clown, that moron, that Benedict Arnold!" he screams. "He was out to get me. He was laying out his plans. First, he was teaming up with my enemies. Then, he would have found some excuse to get me. But I fooled him. I got him first."

"And I'll continue to get him. When I wrestle that snake there are no rules. I'll wrestle him anytime, anywhere . . . anyway."

Above: Tolos has Rivera trapped in his brutal leg scissors. Despite the pleas of fans and the agony on Victor's face, John refuses to relax the pressure. Of course, Victor neither wants nor expects any mercy from his former friend and now bitter enemy. Victor figures any pain he gets at the hands of Tolos is that much more to avenge.

But the Tolos-Rivera free-for-alls have usually ended with one or the other having to be carried out of the ring. Many times the victor is as bloody and brutalized as the loser. How far can it go?

"That Rivera is so treacherous, so evil," Tolos contends, "that he has to be stopped before he kills you. That's why I grab anything I can find to use on him. That louse pretends to be your friend, until your back is turned. I can't understand why the fans don't see all the crude and ugly tricks Rivera uses. Believe me, I grabbed the chair in self-defense in that hair match!"

But how far can it go?

Tolos sneers, and harshly whispers, "It can't go far enough!"

Despite his hurt and anger, Rivera at first tried to use friends in an at-

WHEN YOU INSULT wrestlers from Japan, you also insult Bob Orton, Sr. And when you insult Bob Orton, you'd better be able to defend yourself.

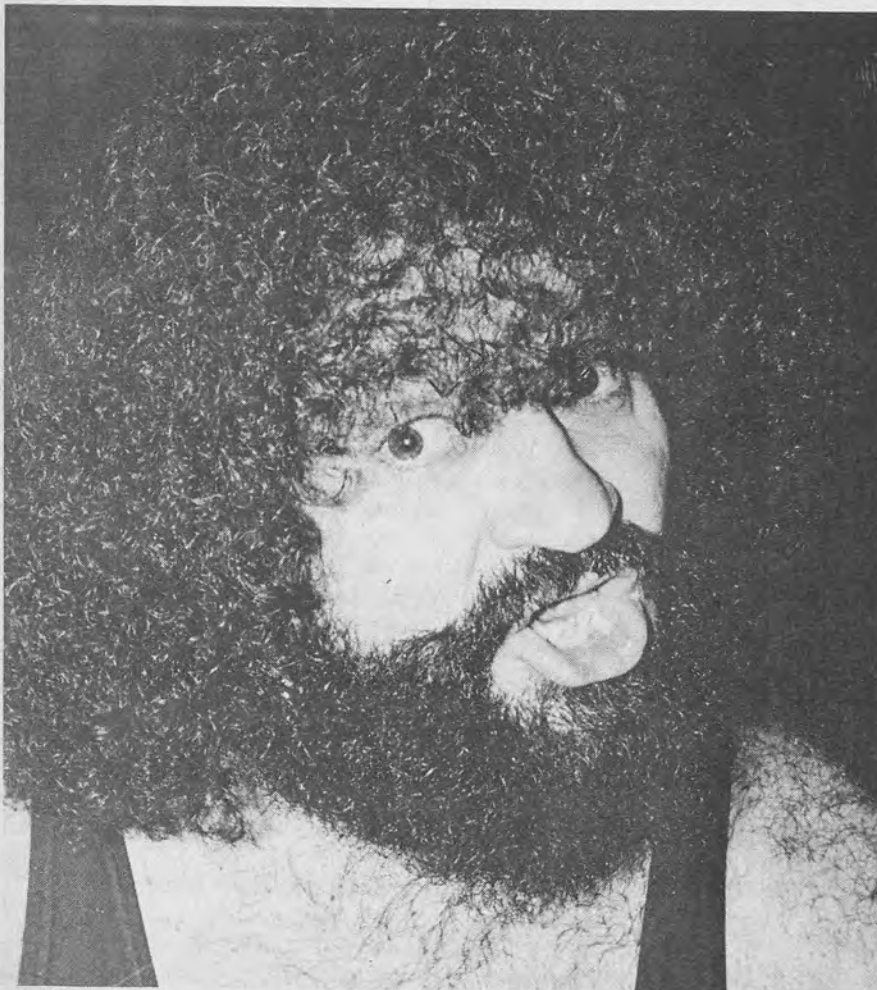

The controversy began when Danny Little Bear found he was having trouble defending himself against some of the more brutal holds used by Japanese wrestlers when they travel to the U.S. Danny claimed that nerve holds, karate chops, and judo moves are too dan-

Bob Orton Sr. was just plain angry at the remarks Danny Little Bear made against Bob's Japanese friends. So Bob taught Danny an Oriental lesson. A bloody one.

WRESTLER ON THE "HOTSEAT"

The "Hotseat" is not a comfortable place to be. When we put a wrestler on the "Hotseat" we interview him. But it is more than just an interview. It is a no-holds-barred question and answer forum that probes beyond the obvious and seeks to find out what others are afraid to ask. The "Hotseat" pulls no punches and plays no favorites. It is the kind of in-depth feature you'll find nowhere else!

HES AN ADMITTED savage. He thinks nothing of tearing his opponents limb from limb and leaving them drenched in their own blood. Known all over the world, he's held the United States championship and numerous other titles in his native South America. He's one of the few men who can brag about being disqualified against the wild Sheik. He is The Great Pampero, as he prefers to be called, better known as Pampero Firpo.

Q: You've been described as one of the most deadly wrestlers in the sport. Do you think that description fits you properly?

A: Well meester, if you gonna start with that question I better start from the beginning. I am involved in a very tough business. In dees business you must go all the way regardless of the price. You are facing de top contenders. So consequently, when you are on top you are there because you are real tough. Ha, ha, ha, ha, ha. Dat's me.

Q: Do you care what the fans think of you?

A: Well, let me put um dees way. Fans pay money. Money pays me. That's all I'm concerned about them. Know what I mean? Ha, ha, ha, ha.

Pampero Firpo, or as he prefers to be called, "The Great Pampero," is a man who glories in the fact that he's a savage. However, he also claims to be an intellectual as well as the most feared and dangerous man in the world.

Left: Firpo stares at his shrunken head which he uses to self-hypnotize himself. He sees his opponents in the shrunken face and then feels sure of ultimate victory.

Q: You have a powerful claw hold...

A: Ooooh Yeeeah, very effective.

Q: ...and it's been copied by many wrestlers, including Dan Miller. Was this brutal version of the claw your own invention?

A: Yes. Eet ees my creation. Eet ees my original. So when eet's so effective everybody try to copy it meester. Right?

Q: Right.

A: I am de ruler and de master of de hold. Got dat?

Q: Yes. What percentage of your matches have you won with your claw hold?

A: Almost 99 percent.

Q: Okay, Dan Miller had a match against you recently and...

A: Wait a minute! Don't misunderstand me. I do not underestimate meester Dan Miller. He is a top

wrestler. Very eskilled. A good man. That is why I like to wrestle heem. Because beating Danny Miller leaves you satisfied because you really beat a somebody.

Q: Many people say you bite and gouge your opponents.

A: Who are dees people? Dey must be my enemies. I am a very clean cut wrestler. But let me make thees remark. Rules, regulations, are made just for de weak ones. I wrestle like the primitive man.

Q: You held the U.S. title and then you lost it...

A: Well, you say I lost it. I say eet was stolen from me. I deefest Bobo Brazil and he steal eet from me. Ooooh Yeeeah!

Q: You plan to regain it?

A: Of course! Why not? As a matter of fact, I never theenk I lose

**"YOU NEVER
GOING TO MEET
ANYONE LIKE ME"**

Firpo is disqualified when he wrestles The Sheik in a jungle strap match (above). Pampero takes great pride in this feat. He prefers to forget the brutal beating he took at the hands of Fred Curry (below). He avenged this defeat, as he always does.

the belt.

Q: Do you still want the North American title held by Johnny Powers?

A: Any belt. Because you see, in thees business you cannot be choosy about what titles you want.

Q: Who's been your most difficult opponent thus far?

A: Everyone. In de ring I don look for sizes. To me anyone I wrestle es a tough contender because dey must have sometin' to put on wrestling tights. I have learned never to underestimate anyone. In dees business you must beware of even a preliminary wrestler.

Q: Has your style been influenced by any other wrestler?

A: Leesen meester. I estarted in thees business when I was a little boy. I eevent my own style. I influence other people.

Q: Are you well educated?

A: I am.

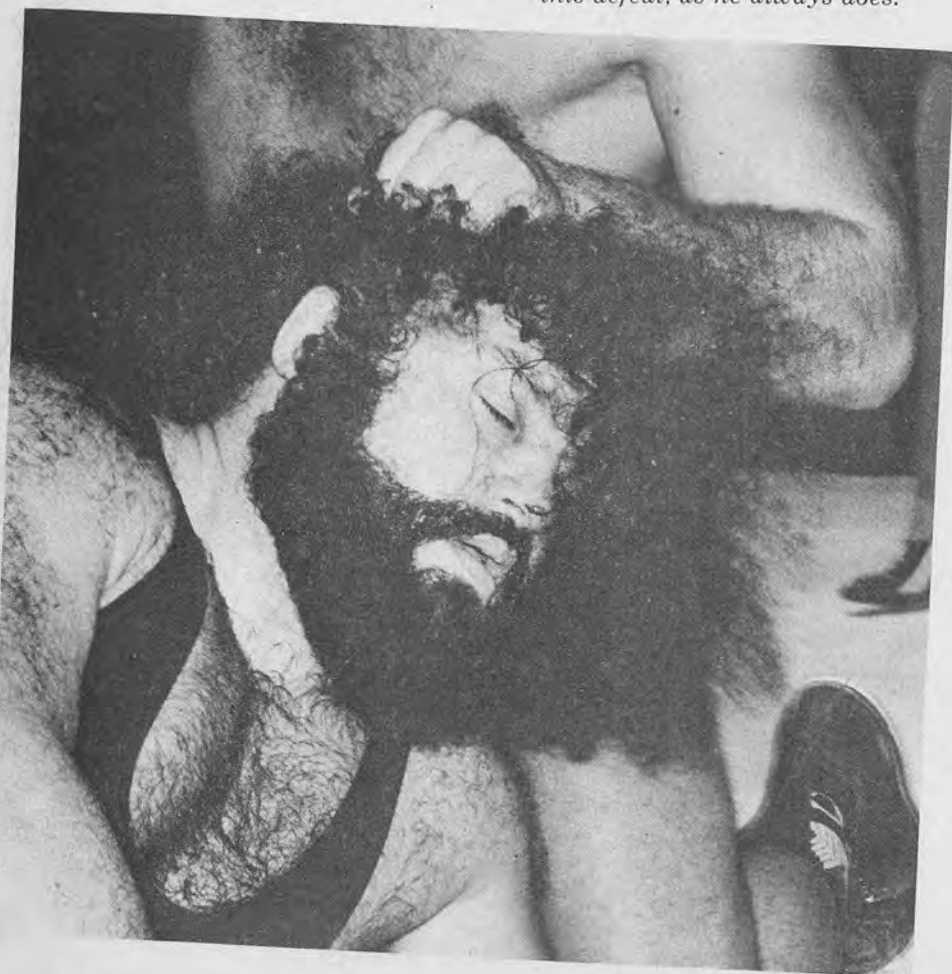

Q: Could you give us some background on your education?

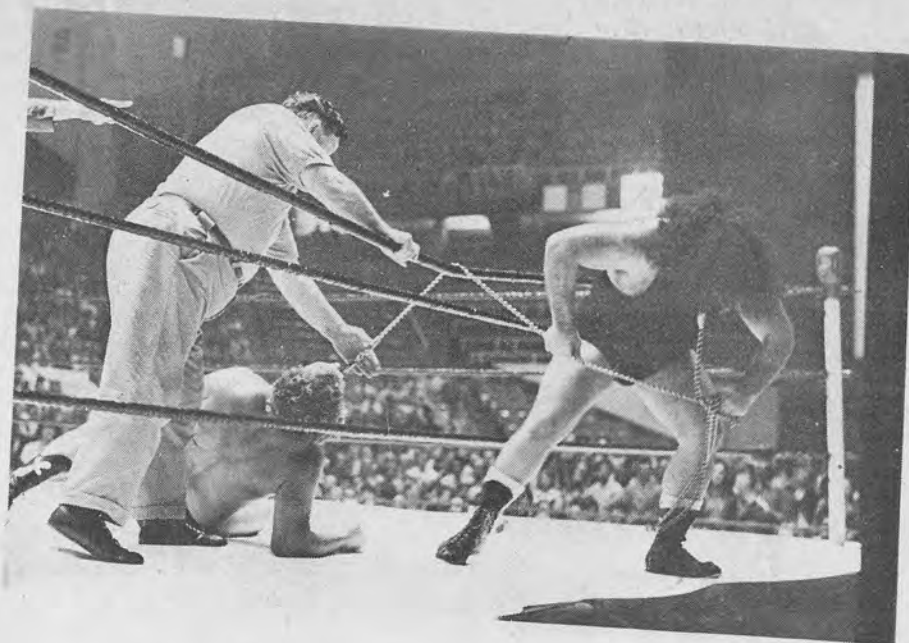

A: Why not? I am graduated from de college and I espeak eseven different languages. Plus, I have been in 21 different countries and I learned different cultures. What I didn't learn in de classrooms I learned in my travels. Dat is what makes me a little estep ahead of my opponents.

Q: Do you think wrestling's too brutal?

A: No. Wrestling is just a great esport. That's why you can see so many people come to the matches. It is de people's esport.

Q: Are there any rules you'd like

**"DE ONLY BREAKS
I GIVE ARE TO ARMS,
BACKS AND LEGS"**

to see changed?

A: Well, let's put 'em dees way. If de rules don't agree wit de commission rulers I dislike it because I never abuse the rules.

Q: There are several newcomers, rookies, who seem to be copying your moves. Do you mind this?

A: They can copy me. But remember. It is de original who counts. Ooooh Yeeeah! Dey will always be second best. A second best is a coward. De main ting is when you are de leader and dat's me.

Q: When you wrestle a newcomer do you give him any breaks and let him off easy?

A: Ohhhh no. De only breaks are dere arms and backs and legs. I love to breaks dem.

Q: What do you think of the present world champions?

A: De champeens must have something to have de belts but they have not yet met me — except for Morales. He ees a cheat and de people and de referees protecting him all de time. Den you have Meester Brisco, a baby. I could beet heem but he ees too chicken. And Meester Gagne. I laugh. He is a great wrestler but not great enough to work up de guts to wrestle me.

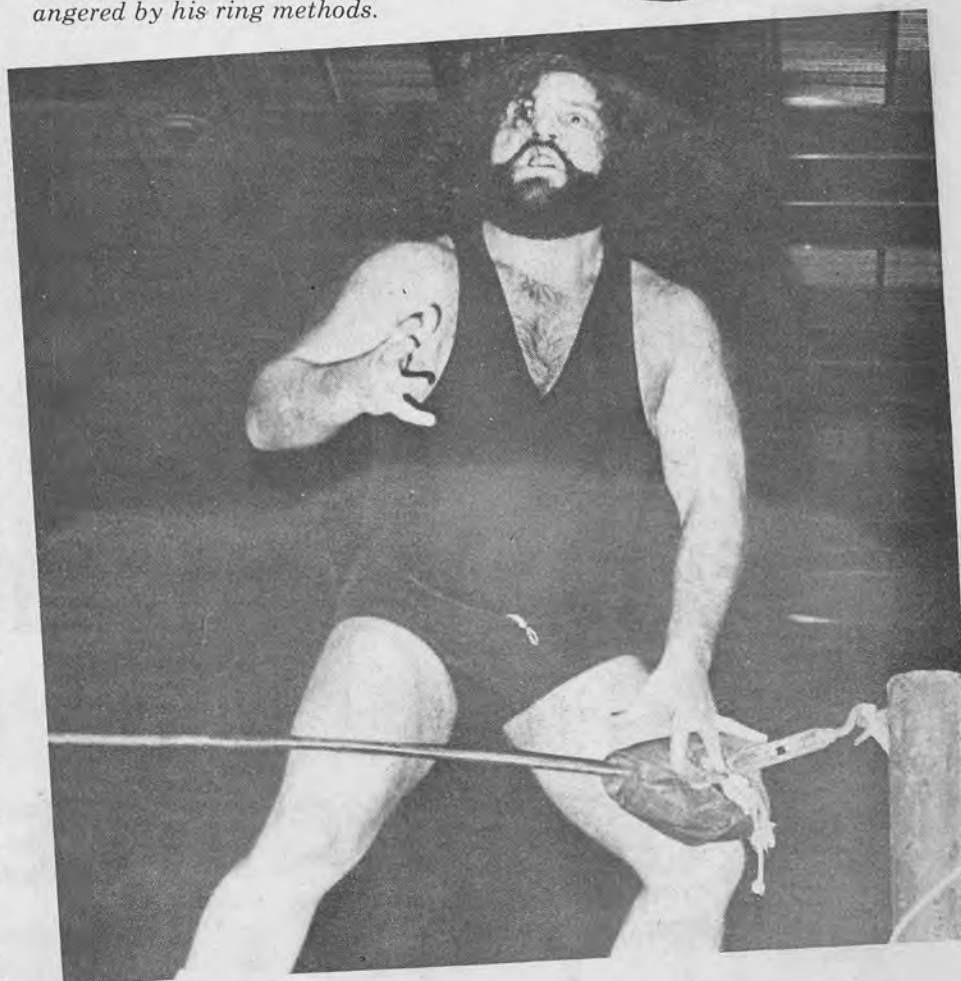

Q: Is there anything else you'd like to say?

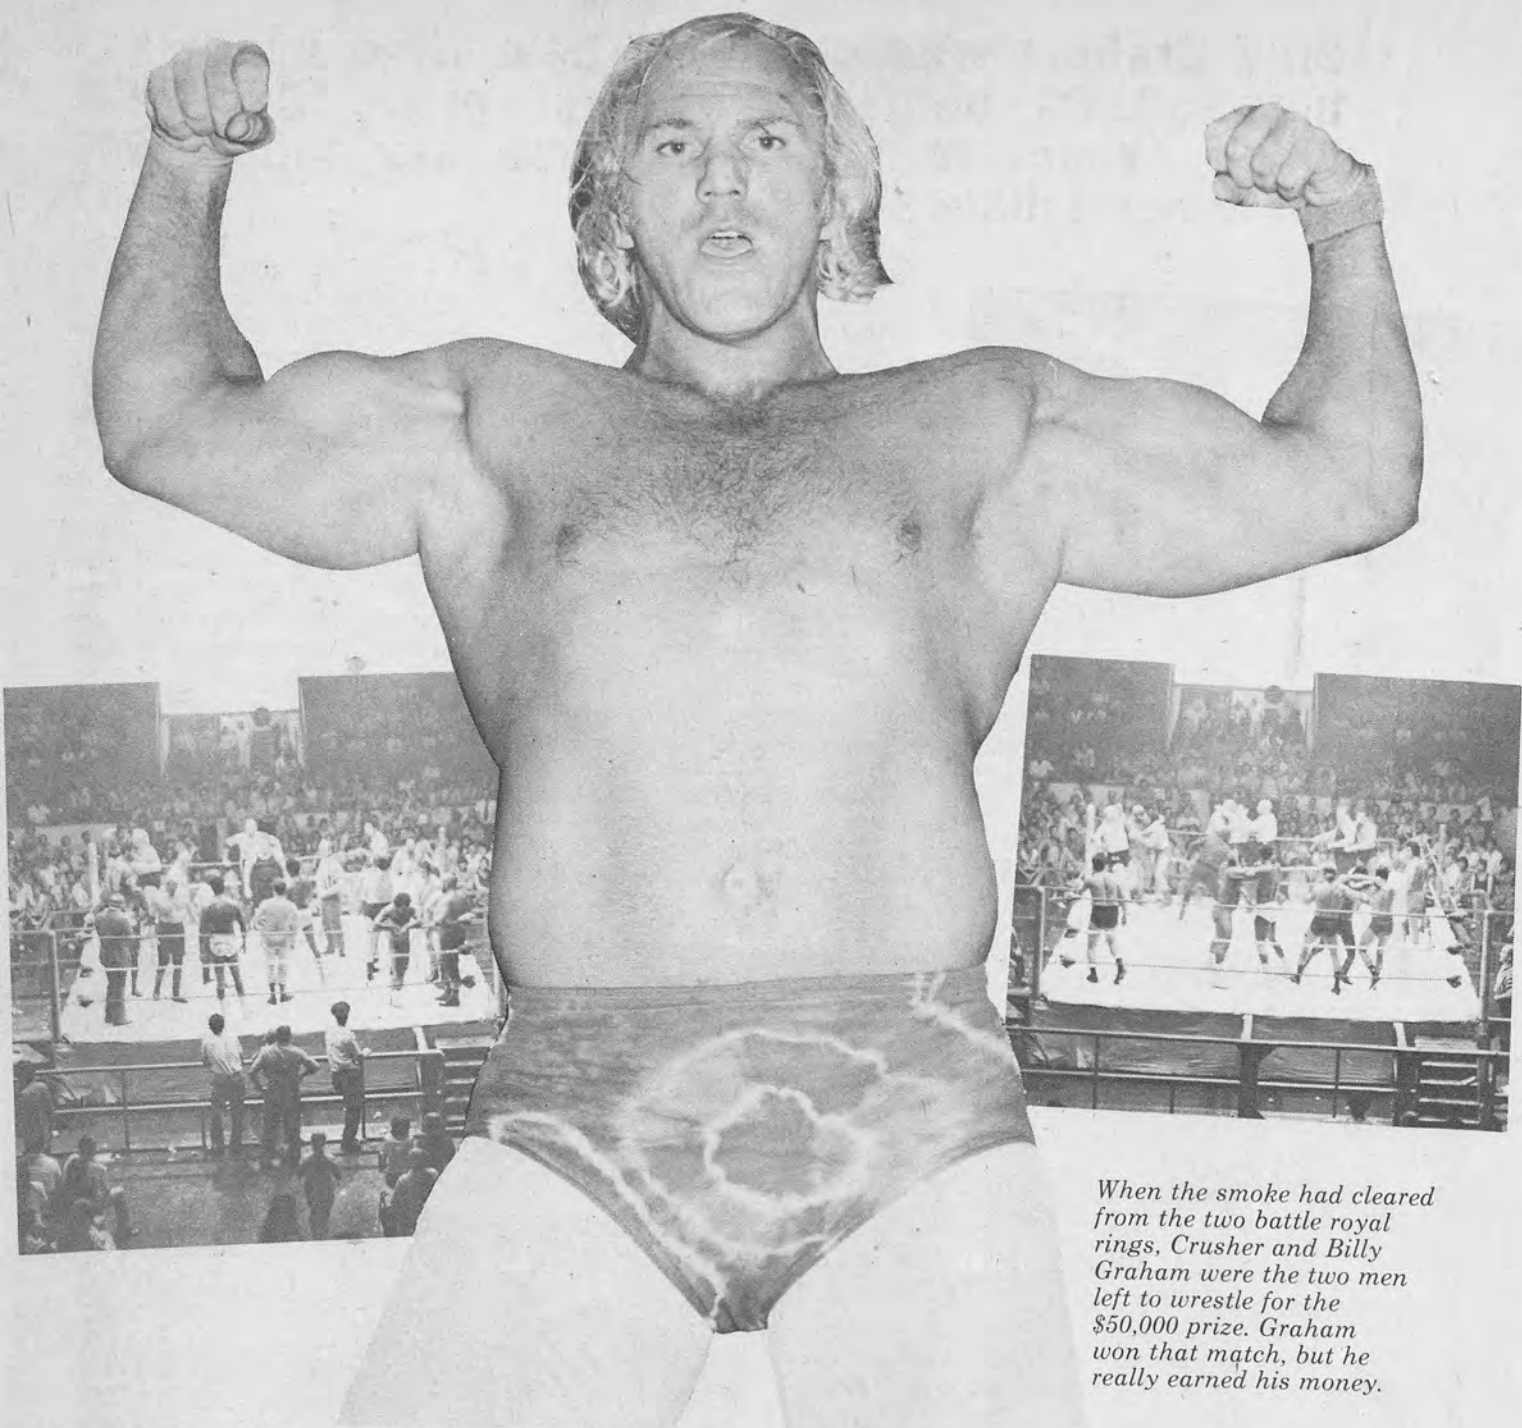

A: Just dees. You never going to meet anyone like me. I am a genius. Wrestling's most unique man. Ooooh yeeeah!

Q: Thank you Mr. Firpo.

A: You meen de GREAT Meester Firpo, Ooooh Yeeeah! ☐

Above: The Sheik is choking on the jungle strap as Pampero drags it on the ring rope. It is one reason he is one of the few ever to be disqualified in a match with The Sheik. Below: Pampero taunts fans who are angered by his ring methods.

When the smoke had cleared from the two battle royal rings, Crusher and Billy Graham were the two men left to wrestle for the \$50,000 prize. Graham won that match, but he really earned his money.

**BILLY GRAHAM WINS
A 24-MAN, TWO-RING,
\$50,000 BATTLE ROYAL!!!
BUT YOU'LL NEVER BELI**

Billy Graham was confident he'd wind up with the \$50,000 battle royal first prize. But he didn't expect to get it because his opponent got himself disqualified!

FOR \$50,000, BILLY Graham says he would go through hell. Crusher made him prove it.

The \$50,000 was the purse given to the man who emerged victorious from a two-ring, 24-man battle royal. The winner of each ring would wrestle to determine the money winner. In all, the \$50,000 would be the prize of one of 24 wrestlers.

"There's so much wrestling talent," Winnipeg promoter Art Tomko realized, "that it's easy to fill two rings with 12 wrestlers each. After all, if one battle royal is exciting, two battle royals going on at the same time have got to be at least twice as exciting."

"The only trouble is that with two matches, you have two winners. Now, after a guy beats 11 other guys, you can't expect him to wrestle well in another match right after that. So, we decided to have the two winners wrestle each other a few weeks after the battle royal."

"Now, we obviously needed some way to attract all this talent to Winnipeg," Tomko smiled, and added, "\$50,000 is one hell of an attraction."

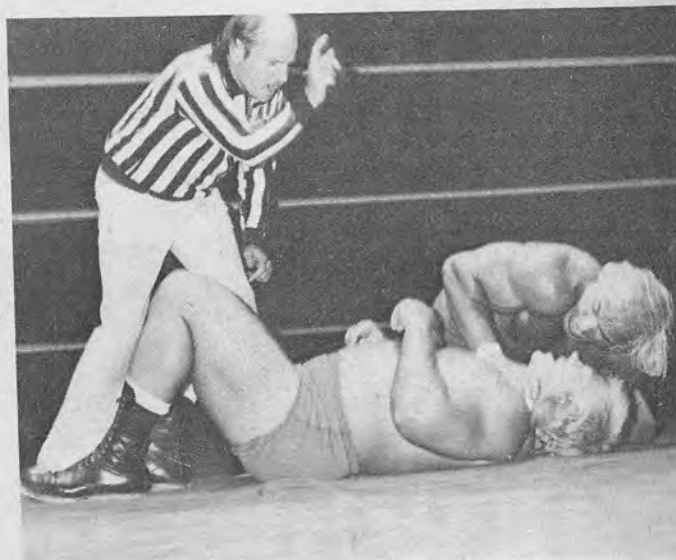

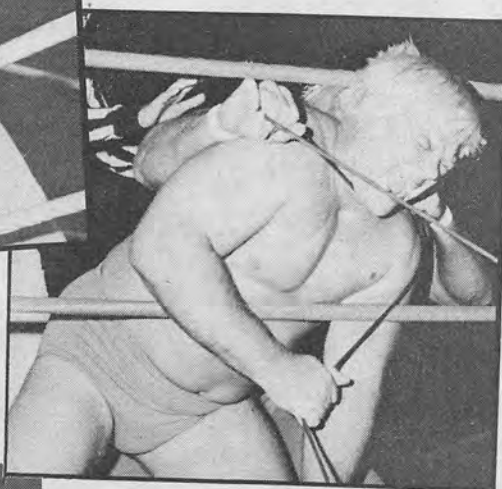

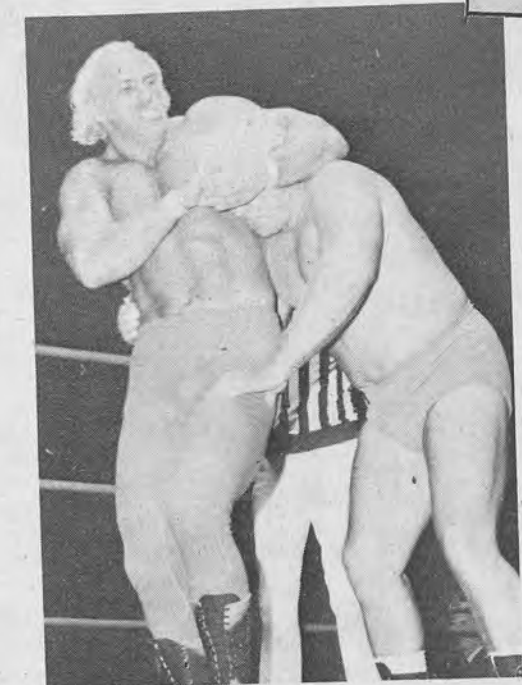

(Continued on page 54)

With \$50,000 at stake, Graham stops at nothing. Left: Billy rakes Crusher's neck along the ring ropes, burning the flesh. Below: Grabbing the ring announcer's microphone cord, Graham attempts to strangle Crusher. The pain would drive Crusher almost mad with uncontrolled rage.

Graham tries to crush Crusher's skull (left). Billy's huge, powerful arms keep the pain at an intense constant. But it is when he tries to choke Crusher that the match finally goes out of control. Billy got the money, but he's still not sure it's worth the pain.

WRESTLING CAPITALS *(Continued from Page 16)*

Not only does Moondog Mayne (above) sink his teeth into wood, he also sinks them into his opponent's flesh as Pat Patterson found out. Professor Tanaka (below) helped Stan Stasiak out with a packet of salt.

got up and was tomahawk chopped into unconsciousness. Strongbow then pressed him for the win!

Tanaka helped revive Stasiak between falls and remained at ringside during the third fall.

When the bell rang Strongbow was wiping the mat up with Stasiak. Stan got the upper hand finally and threw the Chief into the ropes. Tanaka reached into his trunks and threw a salt packet into Strongbow's eyes! The bell rang and Stasiak was disqualified for outside help!

CALIFORNIA REPORT

By Larry Barnhizer

Pat Patterson put his U.S. title and his life on the line when he squared off against the maniacal, razor-chewing Moon Dog Mayne.

During the first fall Mayne made the mistake of making Pat angry by using illegal tactics. Pat lashed into him with punches and kicks, then smashing Mayne's face into the iron turnbuckles, splitting Moondog's head open.

Blood poured down Mayne's face. Then Pat threw him out of the ring. Moon Dog went berserk. As he saw his own blood he began howling at the large crowd. Then, after returning to the ring, he tore into Patterson. He bit Pat, tearing large chunks of flesh off of his forehead. Pat began bleeding like a red waterfall.

Both men continued to swing away at each other wildly. What a bloody battle! Finally, the referee halted the match.

"They're both too bloody to continue," he explained. Mayne went crazy. He picked up the referee and slammed him. He kicked him and slugged him. Other wrestlers stormed into the ring and pulled Moondog off the referee who was now unconscious.

Later Mayne was fined \$1,500 for his ruthless attack on the referee.

CHICAGO ACTION

By Scott Slutsky

Ray Stevens and Nick Bockwinkle really had their hands full when they squared off against Bruiser and popular Billy Robinson.

Ray Stevens and Nick Bockwinkle barely were able to retain their A.W.A. tag team title when they wrestled Bruiser and Billy Robinson in Chicago, Illinois.

Bockwinkle and Stevens took the first fall when Bockwinkle repeatedly slugged Robinson with vicious elbow smashes and foul tactics.

Billy evened things up in the second fall. Then, in the third, both teams went berserk and the match finally ended in a double disqualification.

Pepper Gomez returned after a long absence and made a successful debut by stopping Buddy Wolff.

BRISCO DEFENDER

I am a die-hard supporter of N.W.A. World Heavyweight Champion Jack Brisco, and I just want to speak up against these Funk lovers and doubting Thomases who are calling my number one athlete a "Fluke Champion."

Eat your heart out, you creeps. You Funk fanatics must think that your "Golden Idol" could NEVER lose! And how come all the letters that criticize Jack come from the male population. Are you so jealous that you don't look that good and are LOVED, that you have to write letters about him???? What's the matter,

cowards? Can't you take the fact that the good Lord bestowed all that talent and looks on one person? It must be eating your insides out, or else you wouldn't have so much to say about Jack.

Jack, come back to W.W.W.F. territory real soon! You have thousands of admirers in this area who were ecstatic when you beat Race. Champ, I wish you nothing but success and may you reign long and proudly. You deserve the honor. And as for the N.W.A. belt—you wear it well! Good Luck! We, your fans, love you!

Reader Mark Dove considers Cowboy Bill Watts "the most despicable wrestler" ever.

SEXY SUPERSTAR

It certainly took a short time to have your magazine recognize Mr. Superstar Billy Graham as the most exciting, sensual, and best built wrestler in the world. And your magazine was right there in front of them. Congratulations.

Less than a year ago, many magazine writers couldn't understand the rising popularity of Mr. Graham. When you asked the question, "Who

Is Really Wrestling's Sex Symbol?" the response was overwhelmingly in favor of the Superstar. Much to your credit as spokesmen for the fans, you recognized this overwhelming response, and started to give us adoring fans the wonderful articles and pictures on Mr. Graham. I don't know how many females have become fans of Mr. Graham, but I do know that every issue that has his wonderful body on the cover disappears from my coffee table.

How about an interview with Mr. Graham? I'm sure it would be a sell-out if his sexy, powerful, beautiful, and massive body appeared on the cover.

DON LEO THE LIAR

So Don Leo Jonathan is saying that Pedro Morales used brass knuckles on him. Well, let me tell you, this is a BIG, FAT LIE!

Morales is a good champ. He would never do such a thing. Jonathan

should be shot for saying that, along with the dumb fans who agree with him. And Don Leo Jonathan should not be the W.W.W.F. Champion.

So there!

GEORGIA WRESTLERS

I hope you can take time out to read this letter about so-called wrestling areas these fans brag about. I triple dare them to come down to the matches we have in Georgia.

We have Bill Watts, who is the most despicable wrestler I have ever seen. I nearly busted my spine when Robert Fuller defeated him. We have Bobby Shane, Tim Woods, Tony Charles, Pepe Lopez, Jack Brisco and Jerry Brisco.

Promoter Paul Jones has certainly got the best wrestling over here. He certainly lives up to his name, "Dean of Promoters."

APPROVED FOR VETERANS

STOP IT

(Continued from Page 27)

Cyclone's fist pounds Bobby's face (left) with reckless anger and brutality. Tiring of simply punching, the veteran traps the young man on the ropes. As Lane's neck is raked along the rope, Negro slams his fist into Lane's head (below). Though he was at Cyclone's mercy, Lane still wants to have another chance to avenge his defeat. Friends are in agreement that Bobby should wait before he takes on Negro again.

association met to decide what punishment Negro should receive for attacking a referee. They were discussing fines and suspensions when Lane entered the room.

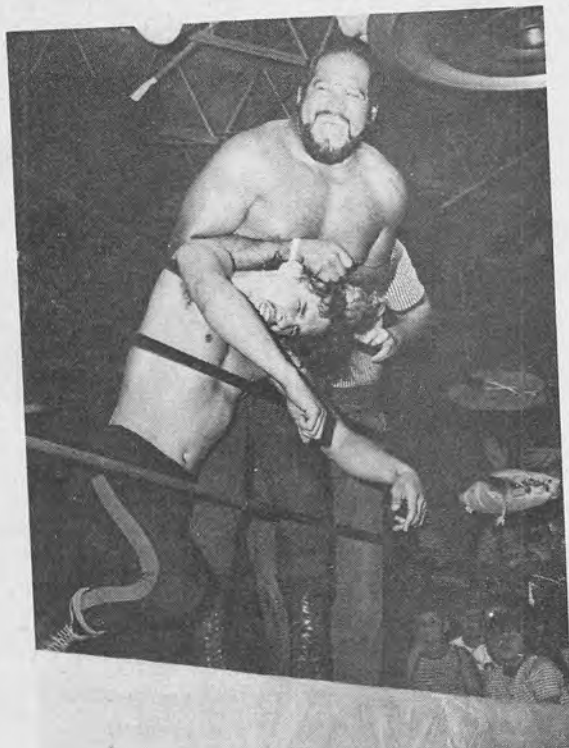

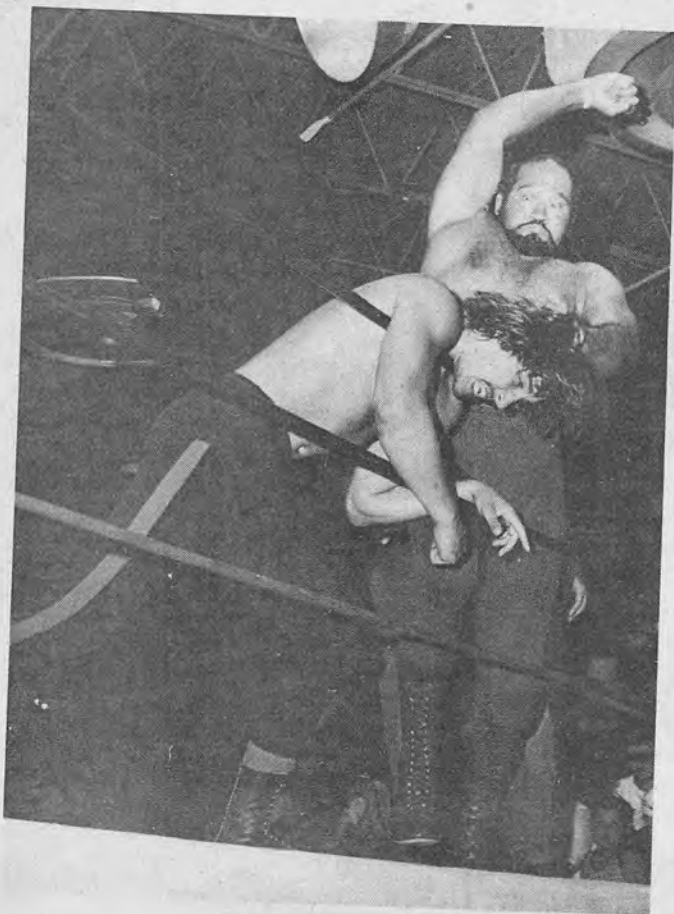

Addressing the commission, he said, "Gentlemen, I know what Negro did last night was unforgivable. It's probably the duty of this body to severely punish him."

Then Lane took a deep breath and continued. "But he attacked *me*! Give *me* a chance to get back at him! Don't suspend him, let me wrestle him. Let me get the revenge for our sport. Negro doesn't understand fines and probably wouldn't obey a suspension. Let me give him a taste of what he does understand — pain!"

The men of the commission smiled indulgently, and one said, "Bobby, we understand your feelings and admire your courage. But Negro is a viciously skillful and seasoned veteran. You're only a rookie. Instead of punishing Negro, we'd only be giving him another victim to torture."

Lane continued to plead for his chance for revenge. But the commissioners were firm. Negro was fined and suspended for three weeks.

(Continued on page 52)

Cyclone enjoys torturing the brave young wrestler (above). Bobby was badly beaten in the match but wants to meet Negro again. Friends hope he waits.

STOP IT

(Continued from Page 50)

A month later, Lane was in a TV studio for a televised bout. He entered the ring and waited for his opponent.

But instead of his scheduled adversary, in walked Cyclone Negro. Cyclone said later, "It's a good thing I showed up, 'cause somebody had tied up the guy who was supposed to wrestle. With him trapped in the dressing room, it's a good thing I showed up."

Cyclone entered the ring and growled at Bobby, "You wanted me, punk. Well, here I am."

"I'm ready," Bobby spat through clenched teeth. But Bobby was more optimistic than accurate.

When the other wrestler didn't appear, the television director said they had to have a match before time ran out. Against his better judgement, the referee approached Bobby.

"Look, kid," the referee said, "you're not ready to wrestle Negro. He's an animal and chances are I won't be able to control him. Nobody will call you a coward if you walk out now. It's up to you."

Bobby repeated what he told Negro, "I'm ready."

"Cyclone," he pleaded, "That's just a kid over there. I know better than to ask you for mercy. However, why not give the kid a break?"

Cyclone Negro laughed.

The bell sounded and Negro strutted to his young but courageous opponent. Lane was ready for anything but what happened. A powerful foot lashed viciously into the side of his head.

Bobby reeled from the crushing blow and lay draped upon the ropes. He was about to discover what Negro had learned from years of dirty wrestling. And he was going to learn the hard way.

Negro grabbed the semi-conscious man's hair and rubbed his neck along the ring ropes. The burning pain was terrible and Lane began to struggle. To stop the struggling, Negro sent his fist crashing down on the unprotected skull of Lane.

Negro, remembering the brawl that led to his suspension, used Lane's face and body as a target for his punches. His fist brutally crashed into the unprotected flesh.

But it was when Negro began to choke Bobby that the referee decid-

Negro hurls referee Bobby Lane to the canvas, angering the young referee/wrestler. Bobby begged for revenge immediately.

ed this was the time to stop it. He grabbed Negro's shoulder and tried to pull his hand away from the open throat.

"Dammit, Negro!" he screamed, "this has gone too far! Release the kid now!"

Cyclone laughed and released his hold. But he immediately trapped Lane in a piledriver. Within seconds, Bobby Lane's punishment was over.

The pain would last for weeks. When Lane went crashing to the mat, he separated his shoulder. He was forced to wear a cast for two months. The bruises caused by the punches disfigured his flesh for weeks. He couldn't move without stabbing pains reminding him of the massacre.

But Bobby Lane still wants revenge!

"I went through agony to discover what Cyclone Negro is really like," Lane says. "But I want to meet him again. And this time I won't be a patsy! There is nothing, not even the piledriver, that can't be countered. I'll learn how to beat him and in short time."

How many years will it take to be ready for Negro?

"Years? I figure I'll be ready to batter him around a ring in three, four months," Bobby says confidently. Then he remembers the brutal beating he recently took. "I'm probably rushing things," he adds, "but there's a lot of pain I want Negro to feel. And I want to be the one who makes him feel it!" □

BILLY GRAHAM

(Continued from Page 43)

When the bodies were cleared from the two battle royal rings, Crusher stood victorious in one of them. In the other, stood the impressive form of "Superstar" Billy Graham. The two men glared across the rings at each other, knowing that the man in the opposite ring was all that stood between him and a small fortune.

The two quickly signed for a match that would make one of them rich. Both Graham and Crusher were sure the money was as good as theirs.

"After the match," Graham promised his friends, "You're all invited to what will be the greatest party ever. Money will flow freely and often. We're going to make it the wildest party anyone has ever seen."

Graham's friends weren't surprised to find that 80% of the guest list were women.

Crusher, meanwhile, was just sitting back and thinking about all that cash. He had trouble deciding how to spend it.

"First off," Crusher imagined, "I'll change it all into pennies and fill up my bathtub. That's five million pennies I'm going to submerge myself in. I'll stay in the tub all day and have a great French cook serve me a fantastic feast. Of course, I might have a select group of friends join me. In their own tubs, naturally," he chuckled.

Besides planning and dreaming, the two men trained like they never trained before. After lasting through the brutal battle royal, which sent a total of five wrestlers to the hospital, they weren't about to let go of that much money without putting up one incredible struggle.

That much money in one lump sum for a night's work can do strange things to a man. Friends began to notice a terrifying change come over Billy Graham.

Never a gentle and kindly man, Graham's temper became ugly. Only his closest and bravest friends would go near him, and they wouldn't stay for any length of time. He became obsessed by the money and anything else lost all importance. He even threatened to call

off his party.

"I earned the money, and the money will be spent on me," Graham snarled at one point. "Who the hell needs you, any of you? I'm a 'Superstar,' wrestling for \$50,000!"

The night of the match, Graham was a study in murderous determination. He entered the ring looking like a wild animal eyeing his prey.

When the bell rang, Graham exploded. Before fans knew what happened, Crusher was trapped between the ropes.

Graham used the ropes like a noose. The front of Crusher's neck was slammed into them.

But Graham, in his greedy rage, was not satisfied. Grabbing the announcer's microphone cord, Graham twisted the wire around Crusher's neck. Crusher gasped desperately for air as Graham twisted tighter and tighter.

Finally, the referee stopped the sickening punishment. As soon as the referee whispered "disqualify" Graham jumped from Crusher as if his semi-conscious victim had a contagious disease.

The match, or more accurately

the slaughter, continued. Graham used every devious and illegal trick he could imagine. The crowd was stunned. Nobody could believe Graham could do such violent maneuvers.

Finally, in desperation, Crusher swung for Graham with a wild hay-maker. Crusher was the most surprised person in the arena when the blow landed solidly.

Graham went down like he had been hit by a bag of cement. When he got up his head was swimming. He stumbled around the ring while Crusher regained his strength.

Crusher saw Graham weaving around the ring and took advantage of the situation. The pain of his torture still wracking his body, Crusher began his revenge.

He followed the first punch with a second just as powerful and just as accurate. Graham went down again, this time his forehead gushing blood. Crusher continued.

His fist again sailed into the gash on Graham's forehead. The split skin widened. The blood flowed more freely.

The referee tried to stop the massacre and stepped between Crusher and his fallen prey. Crusher was still seeking a more brutal revenge. He elbowed the referee aside, with more force than he planned.

"You're disqualified!" the referee screamed, gingerly massaging his bruised ribs. "The winner of the \$50,000 purse is Billy Graham!"

The announcement of his victory barely got through the pain that clouded Graham's mind. But he smiled as he wobbled to his corner.

As for Crusher, the referee's pronouncement drained all the fight from him. The man couldn't believe that the fortune had been lost by a mistake in judgement.

After the match Crusher sat alone in his dressing room. Disappointment clouded his face.

"The referee was right, I should have been disqualified," Crusher admitted. "You can't hit a referee at all, *no matter what or how!* I was wrong. Well, that's the most expensive lesson I'll ever have."

As for Graham, there was a great, wild party after the match. But many of the girls were disappointed. Graham couldn't make it. He was in the hospital being stitched up. □

tempt to reconcile himself with Tolos because "our friendship was a very good thing for him. The honest, honorable side of John Tolos has been twisted and torn," Rivera still believed.

However, none of Rivera's friends were willing to be peacemakers after the experience of Sonny King. After days of pleading, Victor convinced Sonny to go and talk with John.

"Victor Rivera is a fool to believe there is, ever was, or ever will be any good in John Tolos," Sonny says, his face clouded from the memory. "I knocked on his door, was told to come in, and entered. Before I had taken two steps in the house, something hard and powerful came crashing down on the back of my head.

"I woke up on the front lawn, my head feeling like the target in a bazooka practice. By my side was a note that read, 'Mind your own business and choose your own friends—and, enemies. I'll do the same.'" It was signed by Tolos.

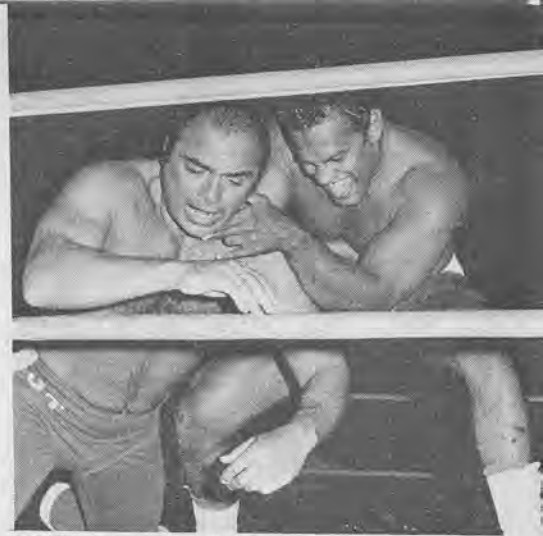

"I'll tell you something," Sonny says, his face hard with determination. "If the Rivera-Tolos feud ever ends, Tolos is going to have his hands full with a King-Tolos feud. In fact, when I get him in the ring again, he'll wish it was Victor instead of me."

Victor was still hopeful that the friendship could be saved, however, until one evening in Los Angeles. Rivera was giving a television interview when Tolos snuck up on him from behind. Before anyone could stop him, John Tolos battered Victor's head, and Victor's blood splattered all over the room. Before the attack was over, Victor Rivera was a gory, semi-conscious mess, lying on the floor.

When they brought him to, Victor was a raging madman. Even in his weakened condition, it took two large men to hold him back from seeking revenge right then and there.

Victor, who had to have emergency stitches at the arena, swore, "It doesn't matter what I do to Tolos now. He deserves it! And so help me, he's going to get it!

"There will always be some part of me that will want to tear John Tolos in two," Victor admits, "but I will not go after him to inflict permanent injury. That is not the way to wrestle, and I am proud to be a wrestler. But I

Rivera traps Tolos in dreaded nerve hold. "The health of Tolos means nothing," Victor claims to friends and fans.

promise that I will not be hurt again." But how far will Victor Rivera go? Victor doesn't answer at first, then says, "If one of us has to be hurt, and hurt badly, I'd rather it be him than me.

"Intentionally," Victor says evenly, "I wouldn't kill anyone. But if John gets out of hand, attacks me again with a weapon that could crack my skull again, I'll stop him anyway I can. My head will not be split open again."

Tolos has been following Victor around the country, wrestling him whenever the two have the chance. They've even brought their feud to New York, A town where Victor is considered one of their own.

"I wanted him humiliated in front of those who love him!" Tolos proclaimed. "When all those lamebrains who think he's great saw him tossed around the ring with his blood all over the arena, they knew the dumb stiff is a punching bag for the great John Tolos."

Tolos promised this match would be the most bloody and brutal of a bloody and brutal series of encounters. He even went so far as to say that it would be Rivera's final wrestling match.

"Mark my words," Tolos declared, "when they carry Rivera out of Madison Square Garden, it will be the last time he will go to a wrestling match without buying a ticket. I won't tell you how I'm going to do it, but when I finish pulverizing him with my new hold, he'll never be able to wrestle again."

That match turned out as indecisive as the others. The feud did not end there. It continues.

There will be other Tolos-Rivera matches. But how long before one of them turns out to be fatal? □

PEDRO MORALES

(Continued from Page 25)

No matter what George Steele claims, it's hard to defend the use of a plastic knife like he's using on Pedro (left). No wonder Pedro spends so much of his time in the ring clenching his fists and ready to attack.

in damn good shape to do that. I'm not bragging, but let me wrestle the way I see fit. I don't tell anyone how to do their jobs so I'd rather not be told how to do mine, except by my manager Gorilla Monsoon.

He has the knowledge and experience to let me know what to do if I need advice. That's why he's my manager. I've beaten a lot of opponents because of his advice. He's a great man to have around. He works with me in the gym before every match.

Most people know I train special for every match. Why? To make sure I'm in the best of condition both mentally and physically. If I'm not, Monsoon will tell me that I'm lacking in a certain area and we'll correct that.

Let me also tell you that many of my opponents have trouble defeating me because they do not train special for me. I believe a wrestler should train special for every opponent just like a boxer does. He usually gets a sparring partner who has a similar style to his upcoming opponent. Monsoon is like my sparring partner.

"Pedro Morales is friends with the referees," is a charge I hear very often. "I've even seen him shake hands with the referees before the match starts," guys like Stan Stasiak say. Well, let me say this. I like to shake hands with everyone. That's just the kind of person I am.

I'm sure that if Stasiak wanted to shake hands with the referee, the referee would be willing to. It's simply out of respect. There is no friendship. I never socialize with them and never — listen to this George Steele — never spitshine their shoes!

Steele has claimed the referees protect me and so have others. As a matter of fact that's the usual excuse. Let me ask you this. I wrestled maybe five or six nights a week for the past three and a half years. How could I have been protected every night for so long? You tell me.

I wish that when I defeat my opponent he'd have the guts to say I was the better man. That's all. Let him admit defeat. But no. They always come up with the same excuse.

Why haven't I given Chief Jay Strongbow a title shot? That's what everyone wants to know. Like I said before, I do not make the matches. If the promoters make the match, I'll wrestle him. It's as simple as that.

Many of the opponents I've wrestled in Texas Death Matches claim I'm allowed to do anything and they're not. That's a lot of bull. They get equal rights but they'll never admit it.

Sometimes when my opponent is bleeding and the referee stops the match it's by the referee's judgement not mine. Even if it's a small razor-sized nick, if the referee sees

fit to stop the match, that's his business, not mine. I don't tell him to. He knows what he's doing otherwise he would not be in there.

"Pedro punches instead of wrestling clean" is another comment I often hear. Let me say this. When I wrestled Bruno, you didn't see me punch. When I'm wrestling a guy like Steele or Luke Graham I have to fight fire with fire. And the referees don't let me get away with it. I've been threatened with disqualification many times.

Here's a complaint that still comes up. People say that when I won the title from Ivan Koloff my shoulders were pinned, not his. When I was in that reverse bridge my shoulders were pinned for two seconds. I picked my shoulder up before the referee counted to three. Koloff didn't. He couldn't. All my weight was down on him. I hope that explains that.

Do I ever try to purposely injure my opponents? Most times no. I'm in there to win. I want to beat my opponent to the best of my ability and that's all. I don't want to make him bleed or break his bones.

However, there are certain exceptions to that rule. When you get a guy like Fred Blassie, who goes out of his way to try to kill you, then you retaliate in the same method. No, I don't lower myself to their deeds. I just protect myself to make sure they won't do it again. By making them see their own blood, they usually learn well. But it amazes me how some people come back for more.

One more thing. To the people who think I duck my opponents, this year I will defend my title in other areas again. Not just W.W.W.F. territory. I want to wrestle everyone. I'll go to Canada, California, Puerto Rico, Japan, anywhere, just to prove my point if I have to.

I know there are thousands of fans who support me and I am very grateful to all of them. They know the things my opponents have said about me are not true but I'm sure the excuses will keep coming.

When the man who's good enough to defeat me comes along, I will not make excuses. I'll say he was the better man. That's all. To the people who side with my opponents, I hope my talk has let you see the light. ☐

TIM WOODS

(Continued from Page 23)

Above left: Tim and Harley Race in one of Race's few defenses of his title. Tim lost in close match. Above right: Tim traps Race in a sleeper. Left: "Mr. Wrestling" was Tim Woods with a mask. Tim was unhappy with the mask and took it off.

does he feel about it?

"Good," Tim said. "A lot of my fans have said 'It's about time,' and I tend to agree. But I don't want to make an issue out of it. I'm just happy to be there."

"I've always thought that Woods was underrated," Jack Brisco said. "Tim's a fine wrestler and if I ever lose the title I hope it's to a nice cleancut guy like him. Tim's a great sportsman and a credit to the game."

There are, however, some people who think Tim was not underrated. One of them is Bobby Shane.

"Underrated? Ha! That's a laugh. If Woods was number one thousand, five hundred he'd be overrated. Woods has everything it takes to be a typist or something like that, not a wrestler. Why's he been in the background? Because he's dull! A very dull guy. He's got no class, no talent and no

brains. A guy like that is detrimental to wrestling. He's got to be destroyed for his own good just like a horse who's got a broken leg. He's useless. That's Woods's. Tim, middle name, *useless*, Woods."

The people who are trying to push Tim further into the spotlight, so to say, are his devoted fans.

"Tim's got to be noticed by more people in the media, like magazines and newspapers," noted Harry Kreiger of Miami, Florida. "He's so talented. My friends and I are writing to all the editors all over the world to give Tim the recognition he so rightfully deserves."

"I agree," added Mary Tells. "Tim's in a shell as far as I'm concerned. He needs help coming out of it and we want to help."

"I know why Woods is in the background," Boris Malenko snapped. "You see, Tim limits his wrestling to the south. People in the east and west don't know of him. He's well known, that's for sure, but he'd be better off if he went out and showed the people all over the U.S. just how good he really is." (Continued on page 62)

"ACTION" FISH LURE Swims By Its Own Power!

ACTION LURE swims, dives, flops like a crippled minnow! Buzzes like a dying insect! Drives pan fish, game fish, salt water fish into a frenzy! Gets savage bites that simply can't pull loose from your hook!

Completely under its own power, ACTION LURE swims and dives like a live darting minnow, then returns to the surface to dive again and again, even on a slack line! As amazing ACTION LURE dives down deep to where the big ones are lurking, fish see its free swimming action, hear its buzzing sound, and bite savagely utterly without fear or hesitation!

Swims & dives to 15 feet! No tugging; no pulling!

ACTION LURE swims by itself without being pulled. It swims various depths down to 15 feet for up to one hour or more, with a slow, erratic maimed-minnow motion that no fresh or salt water fish can resist, all the time sending out its enticing buzzing insect sound to attract fish from yards away!

Yes, ACTION LURE hauls in trophy size big mouthed bass, small mouthed bass, pike, pickerel, perch, walleye, dogfish, catfish, trout, and every other conceivable type of pan fish, game fish, and salt water fish! Eye-popping catches are reported from every section of the country, so we say "Prove it to yourself!" Use ACTION LURE for a full month, see for yourself how you catch more fish, bigger fish, how your friends insist on learning your amazing fishing secret.

Works like magic even when other lures and bait fail completely!

You'll haul in limit catches when others aren't even getting a nibble, in lakes, streams, rivers, oceans, wherever you fish! Just picture your self-propelled ACTION LURE slashing through the water in brilliant reds, whites & yellows, only 2" long yet carrying enough fuel to cut through the water for as much as one full hour with a single load! Plunging down to fifteen foot depths, rising again to the surface almost once every minute, ACTION LURE plows through the water tirelessly, pulling in the big ones from hundreds of yards around you!

Here's how ACTION LURE works: All you do is snap open the fuel chamber, drop in two pellets of fuel, and close the fuel chamber again. Takes less than 60 seconds; you don't even dirty your hands! And then... simply cast or lower ACTION LURE into fresh or salt water, and get set for the fishing thrill of your life!

ACTION LURE GUARANTEE

ACTION LURE is guaranteed to catch more fish and bigger fish in every kind of water, in every kind of weather. If you are not completely satisfied in every respect, return ACTION LURE within 30 days for complete refund.

For perhaps one minute ACTION LURE will float quietly; then, as water reaches the fuel, your lure will seem to shudder for a second, then spring dramatically to "life!" Making the buzzing sound of a dying bee, ACTION LURE will point its nose downward, and begin its first descent! Slowly, jerkily, like a maimed minnow, it will swim noisily downward, buzzing and humming, traveling about nine feet every fifteen seconds! If no fish intercepts it, its descent automatically stops, it slowly raises up its nose and climbs to the surface again!

And again! And again! Tirelessly, hour after hour, far beyond the reach of your own casts! Roaming restlessly over every foot of water beneath you — even on slack line — even when your boat is tied up — even when you're curled upon the dock, sound asleep! And all the while ACTION LURE is swimming and buzzing and driving the fish around you to such a frenzy they practically tear the rod out of your hands!

World's first self-propelled lure!

No wonder this revolutionary ACTION LURE took six full years to develop! Here's what ACTION LURE will do for YOU!...

It frees you forever from the filthy tasks of digging for worms & crawlers, catching frogs, or paying 50c to \$1 for a bucket of minnows that die on you before you can even get them into your boat! It frees you forever from paying \$3, \$4, or even \$5 for those fancy "Dead-as-a-Duck" lures that only work when you tow them!

Tomorrow, for the first time in your life, you'll be weighing down your boat with bass, trout, pike, pickerel, perch... limit catches of pan fish, game fish, fresh and salt water fish, wherever you can drop a line! You'll fish better — novice or pro — sound asleep at the bottom of your boat, than most fishermen sweating and casting till their arms ache from exhaustion!

And you'll have the time of your life, amazing your friends and family with your hauls, and seeing your fishermen friend's eyes pop as they watch your incredible self-propelled ACTION LURE at work!

Try one full month at our expense!

You have nothing to lose! Fish with ACTION LURE for one full month entirely at our risk! Cost is only \$2.98. TIM WOODS

(Continued from Page 60)

Tim is one of those rare wrestlers who, like Jack Brisco and others, have only scientific skill going for them. They're just plain good wrestlers. So why'd Tim put on a mask and become Mr. Wrestling for such a long time?

"I was trying to prove a point to myself," Tim said. "You see, with a mask I had some extra flair so to say. But I didn't like it. I felt like I was putting myself on. People were wondering what happened to Tim Woods.

"That's what made me take off that mask. Tim Woods could make it on his own, not as someone else. That's what I'm doing now, makin' it on my own without any fancy coverups. I don't like them and don't need them."

"That's not why Woods put on the mask," Harley Race said. "He did it for two reasons. One, he's the ugliest thing in the world. Two, he didn't want to be personally embarrassed when he lost to a great wrestler like me or to a preliminary

Tim is a gentle, quiet man—until he gets angry. Gorgeous George, Jr. isn't safe outside the ring (above left) after angering Woods. Tim has also been on the receiving end of some brutal punishment, from people like Harley Race (right).

wrestler like Jack Brisco. He was shamed. Now he's standing up like a man and showing everyone that he's a loser, not Mr. Wrestling."

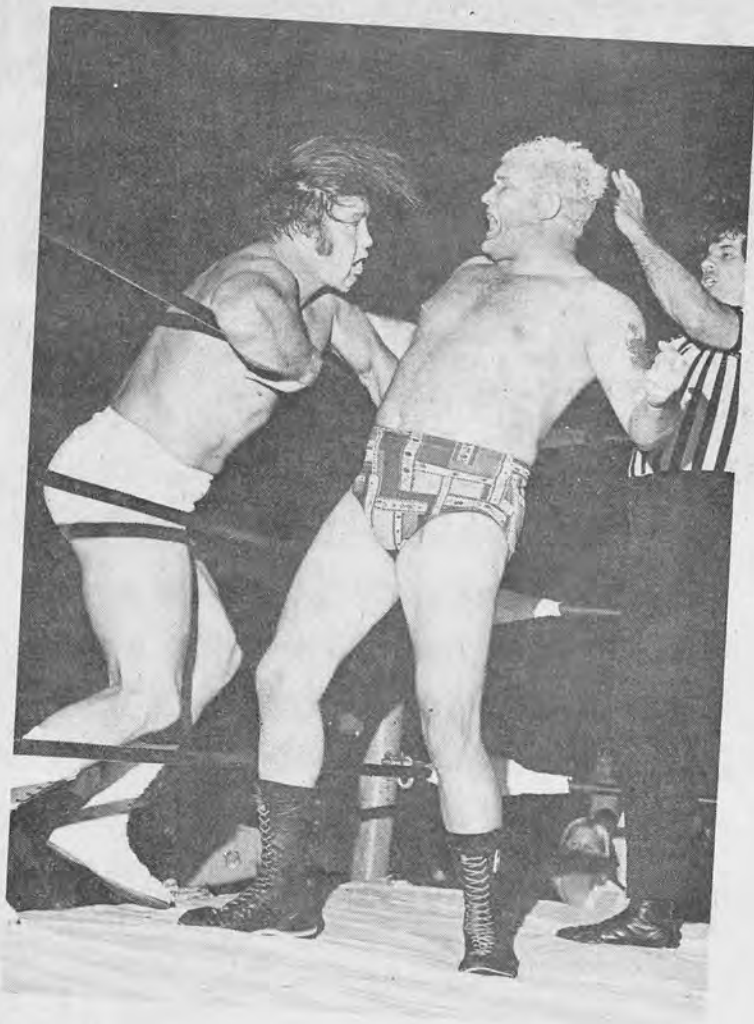

Tim laughed when he heard Harley's remarks.

"I beat him," Tim snapped. "Classify him in the preliminary wrestler category."

Sam Muchnick, president of the National Wrestling Alliance, views Tim this way.

"I'm always getting requests for title shots from every wrestler you can imagine, but not Woods. I don't think he's so mild-mannered. I just think he's too good a friend to Jack Brisco to want to ruin their friendship by wrestling each other very often.

"That's partially true," Woods ad-

mits. "I'd rather wrestle someone else for a title than Jack. Very often tempers flare in a match and you start slugging at each other. It's happened with Jack on occasion and I hope it won't happen again. I don't want to lose his friendship. If I win the title from him it's got to be fair and square, no questions asked."

If Tim's not going to ask for a title shot, how's he going to get one?

"The N.W.A. will tell me when I'm wrestling for it," Tim said. "That's how. I don't think I have to be aggressive. They're a fair organization and know when I deserve a title shot."

Would Tim travel in search of other titles?

"I doubt it," he said. "I love the south. I live in the south and love the people. I'd hate to leave it. I do venture to Japan on occasion but that's it. I guess I might give traveling some thought, but not too much. I'm happy where I am." □

I was bored and lonely until I met JUDY and SUSAN. My friends were out of town. I had nothing to do. I was bored and lonely. Then I saw a LOVE DOLL ad in a magazine. I mailed in the coupon, not really expecting much. But when the package arrived—WOW! That's the night I met JUDY. We danced ... I practiced all sorts of new steps...she followed me all the way. My new LOVE DOLL seemed so life-like I really felt I had a new friend. Then I decided to send for SUSAN, too. Wouldn't two be twice as nice as one? Soon SUSAN arrived and the three of us began to play. I danced with one, then the other, then both together! It was wonderful snuggling up to JUDY, but now it was twice as nice with two LOVE DOLLS to share my nights. Judy was made just for love. She's the original, talked-about LOVE DOLL from London. JAPANESE FRIENDS

(Continued from Page 37)

Orton gets in his last licks (above) as he leaves the ring. As he walks away (below), he leaves a battered and broken and wiser Danny Little Bear.

gerous to be allowed (see *THE WRESTLER* (JAN. '73).

Little Bear talks from experience. He was taken bleeding and unconscious from a wrestling ring straight to the hospital. His injuries stemmed from a barrage of karate chops to the head.

Many felt Danny's complaints were more than justified and applauded his courage in speaking out. Others felt that he was singling out a certain group of wrestlers and threatening their livelihood.

Bob Orton was one of those who was angered by Little Bear's demands. Bob was so upset he went on television to air his views.

"Ladies and gentlemen," he told the audience, "there has been much

talk lately of banning some of the more effective holds invented and perfected by Japanese wrestlers. Some claim that the holds and moves are too brutal, too dangerous, and run the risk of permanently damaging a wrestler.

"This kind of talk is not only nonsense, it is *dangerous* nonsense. It is the cheap tactic of a coward who doesn't have the strength and courage to settle his differences like a man.

"Many of the Japanese wrestlers I am proud to call friends. They are superb athletes and fine gentlemen. To insult their skills is a disgrace. There is no excuse for this kind of nonsense to occur in the United States. Let's hope we have heard the last of it. Thank you."

Danny Little Bear had been told that Orton would speak against him, and he watched avidly and angrily. When it was over, he had to be restrained from kicking in the set.

"That miserable, lying rat! How dare he accuse me of trying to insult the Japanese! Call the station, I want to go on tomorrow."

And go on he did. It was an enraged Danny Little Bear that addressed the TV audience.

"Bob Orton distorted what I had to say, and what I have to say is important. I believe that the Japanese have developed certain holds that can cause irreparable damage to an opponent. Wrestling is a scientific sport of skill, not an excuse to brutalize and cripple.

"Lastly, I have said repeatedly that I would continue to wrestle Japanese wrestlers. I also stated that if their holds were not illegal, I would develop counterholds to defeat them. I will wrestle anyone the wrestling associations declare is a professional wrestler in good standing. But before we go any further, I would like to challenge an American wrestler.

"Bob Orton, last night you called me a coward. Nobody, but *nobody*, can call me a coward and get away with it. If you have the courage, I will wrestle you anytime and anywhere."

The show was barely over before Orton was on the phone, accepting the challenge. The match was arranged. Both men promised to stick to the scientific wrestling rules.

The night of the match arrived.

Two angry and ready wrestlers climbed through the ropes.

The bell rang and they charged toward each other like maddened bulls. The action was fast and furious for about 20 minutes. Both showed great skill with neither getting the upper hand.

Then, Orton demonstrated the advantage of befriending Japanese wrestlers. He unleashed a savage karate chop at Little Bear's head. Blood erupted from Danny's forehead. He slumped to the floor, but his courage kept him conscious.

Orton grabbed Danny's blood-soaked head and smothered him in a headlock. Despite the brutalizing pain, Little Bear struggled to get free. But his squirming was as effective as a fish flopping out of water. The blood gushing from his forehead would force the referee to stop the match.

When it became sadly obvious that Little Bear no longer had any strength to back up his courage, the referee mercifully ended the torture.

Did the match settle anything? Not at all. In fact, it's made the controversy grow!

"If anything, the stitches across my forehead prove that I'm right. We were in the middle of a great scientific wrestling match when he did one of the things I'm trying to make illegal. Wrestling doesn't need the kind of maneuvers that can end a match with a single crippling blow. We might as well have two guys walk into a room and one hitting the other over the head with a sledgehammer. The result is the same as if he's pounded by a karate chop!"

Meanwhile, Bob Orton, Sr. declares, "If Little Bear would stop complaining and learn how to stop a karate chop, he wouldn't have so many headaches. Defending against karate takes time, patience and skill. If Little Bear doesn't have those three things, he shouldn't be wrestling to begin with."

Danny Little Bear is learning to stop karate chops and other moves that have made the Japanese almost invincible. But until he, and others, learn how to counter the Japanese sciences of self-defense and attack, fans can expect more and more matches ending with a blood-soaked wrestler lying unconscious upon the mat. □

Bruno Sammartino captures Baron Von Raschke in a figure-four armlock. Bruno was handily winning his match with Von Raschke when The Sheik sprang from the dressing room and burned Bruno around the eyes. Bruno wasn't permanently injured, just quite agonized.

room. The entire incident didn't take 10 seconds.

"This was the scariest thing I've ever seen," said Dominic DeNucci, who witnessed the incident. "Bruno and Von Raschke had been battling outside the ring. The Baron was choking Bruno but Bruno had just turned the tables on him and I believe Von Raschke had just conceded.

"All of a sudden The Sheik comes tearing out of his dressing room, sneaks up behind Bruno and taps him on the shoulder. Bruno turned around quickly, thinking it might be one of Von Raschke's buddies. I don't think he ever saw The Sheik. As soon as he turned around a sheet of flame came out of Sheik's hand into Bruno's eyes. It was terrible."

Bruno remembers nothing further than what DeNucci related. "I turned around—never saw who was there—and felt a terrible stinging pain in my eyes. I didn't even see the fire. At first it felt as if someone had thrown salt in my eyes. It wasn't until a few moments later that I realized I had been burned."

After the indignant Zbyszko, DeNucci, the referee and a doctor came into the ring. The doctor immediately put wet compresses across Bruno's eyes and forehead and he was led from the ring with the compresses pressed to his face.

Sammartino was taken immediately to a Pittsburgh hospital where an ophthalmologist specializing in burns was called in. During the examination Bruno was not able to see anything out of his eyes. However, the doctor assured him it was only a temporary condition since the burns were not serious.

He was right. A few days later Bruno's vision returned. His eyebrows had been singed and he'd received mild burns on his forehead. According to the doctor, Bruno was lucky in that The Sheik did not keep a steady stream of fire directed into Sammartino's face. He added that there should not be any long term effects from the burns.

Reporters tried to question The Sheik but, of course, were unsuccessful. His manager, Abdullah Farouk, was not present during the incident, but insisted "the entire thing was concocted by that spaghetti bender to make my Sheik look bad. You reporters," he added, "will believe anything."

Von Raschke denied any part in the incident, and, in fact, expressed anger at The Sheik for "costing me an important victory."

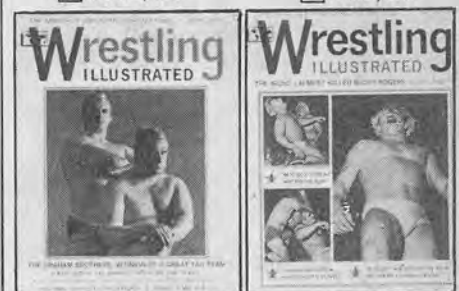

Why did The Sheik do it? Nobody is ever likely to find out. It isn't the first time his weird behavior has caused injury. But luckily for Bruno, it wasn't as serious as first feared. □

The Deadly Oriental Fighting Art of Instantaneous Death That Requires No Strength or CLOSE BODY CONTACT.

- ★ Self-defense without torturous training or rigorous exercise.
- ★ Instant self-defense for the weak, the defenseless, the fearful and the untrained.
- ★ Makes your body a live fighting machine! Hands, feet, elbows even fingers become deadly weapons of defense.
- ★ Faster, deadlier and easier than Judo, Savate or Karate.

Revealed at last! The most secret, the most respected, the most effective of all the Oriental fighting arts—KUNG FU. So simple that if you can read then you can easily master the theory of this "flick-of-the-wrist" technique. KUNG FU works on a secret principle yet its deadly force is easy to learn and easier still to apply. KUNG FU can take any one * without training and make him a fighting machine in seconds.

THE SECRET OF KUNG FU REVEALED AT LAST

KUNG FU is a fantastic method of self-defense that was buried in the mysteries of the past. Once a part of a mystic Oriental rite, its deadly fighting secrets were only taught by Shaolin Priests to those considered worthy only after years of preparation and testing. KUNG FU was hidden from the public! Yet in spite of serious efforts to keep it from the world, word of its amazing power spread. Masters of other fighting arts soon learned to fear and respect its techniques. They learned that KUNG FU harnesses certain dormant forces within you, enabling you to disable and destroy with just a lightning flick-of-the-wrist, and that KUNG FU requires no strength or extraordinary skills, in fact KUNG FU's brilliant defense never requires strength, size or undo exertion.

HOW KUNG FU WORKS

KUNG FU is based on a simple yet lethally effective principle. It is not necessary to physically match strength with your opponent in order to overcome his attack. You harness the enormous natural power of your own movements. KUNG FU shows you how to take advantage of these fundamental laws of natural movement. Your rhythm is added to the very movement against you... so that all forces are added together and unleashed against your opponent. This is KUNG FU—a force so simple yet so devastating that its techniques have stunned the world.

KUNG FU IS BETTER THAN OTHER FORMS OF SELF DEFENSE

KUNG FU is better than all other forms of self defense! Its secret lies in its simplicity and in its ability to overcome an attacker WITHOUT INTRICATE BODY CONTACT. Now, if you can read or look at pictures then you should be able

to master the theory of this "flick-of-the-wrist" technique. YOU CAN WIN... EVEN IF YOUR OPPONENT IS BIGGER AND STRONGER THAN YOU. You can win if your attacker surprises you. And more—KUNG FU means deadly, often crippling self defense where every part of your body is a fearful weapon. Your feet, your hands, your elbows, your fingers become lethal weapons WITHOUT REQUIRING SUPER MUSCLE-POWER OR BRUTE FORCE. And you can do all this without years of training, special exercises, and especially hundreds of dollars in cost.

WHAT KUNG FU WILL MEAN TO YOU

With so many crimes of violence about us you could be in danger—anytime—of being hurt or worse humiliated! BUT NOW YOU CAN DO SOMETHING ABOUT IT. You can protect yourself, your family and your property with deadly efficiency in mere seconds. Yes, and you can do it without years of training, hundreds of dollars in cost, and without long, painful practice. Regardless of size, strength or build you can beat the bullies and better the odds. Thanks to KUNG FU you need never be afraid again. You too can learn to overcome the fear of being shamed. You too can be the one that gives the beating! You too can control threatening, dangerous situations.

WHY KUNG FU MAKES ALL THIS POSSIBLE

Why??? Because KUNG FU is as deadly as it is simple. And it works for anyone.* Other forms of self defense like Judo or Karate require something special such as strength, speed, etc.... to say nothing of endless practice. A judo Black Belt Master,

for example, must practice technique after technique... and take years to master it all. NOT SO WITH KUNG FU! It's based on an entirely different concept. Technique and form aren't very important. DEFENSE IS! KUNG FU is designed to help you defend yourself in most situations* with an absolute minimum in effort and a maximum in protection.
